SCENE 1

It was a pleasant place, neither hot nor cold.

Occasionally, the lukewarm wind would stroke my body.

In front of my eyes, there's only jet black to be seen.

As such, whether my eyes are open or closed is ambiguous.

I tried to rub my eyelids with the back of my hand, but suddenly I become aware that my arm was not moving at all.

And not just the arm.

I also cannot move my legs or my head.

I can only slightly move my line of sight.

And I can only realize that from the round movement of my eyes.

But still, the only thing I can see is darkness.

However, staring into it has no meaning at all.

[Yamato] (I, I cannot move my body.....)

Among the vague consciousness, there is the abrupt, clear sense of a portion of my body.

I can feel something slightly warm in my lower body.

Its identity was hard to grasp, but I understood immediately.

The warmth of another person.

Someone is sitting on me.

Judging from its weight, it was a woman.

In the darkness there was a gaze, curiously looking down at me.

[Yamato]

[Yamato]

[Yamato]

The pale shadow was blankly visible.

Its mass, just like the glowing haze, is gradually forming an outline.

[Yamato] "Wha.....!?"

Shining in front of my eyes were ripen and plump breasts,

A narrow, slim waist,

A slurry which is forming long arms and legs,

And a head with long hair flowing from it like a waterfall.

That woman had opened her crotch widely, hunching over me.

The very moment I realised that, the whole of the woman hanging above me was pressed heavily on my lower body.

In a few seconds woman becomes more and more real, with her body temperature, weight and breath.

[Yamato] "Uwaah!!"

While I'm raising my voice, the blood colored lips situated on a fair skin lifts their edges in a smile.

[???] "Hoho. So you finally woke up."

[???] "But it looks like that down there you are completely awake..... Kuhaha."

The woman said while looking down, with a huge smile on her face.

[Yamato] "U, um..... Miss..... Who are you?"

As my consciousness becomes clear, I open my eyes wide at the woman before me.

Sharp fangs peek from the bright blood colored lips.

Long, pointed ears.

And 2 horns extending slightly from above her forehead.

It's a demon.

This woman right next to me, is a demon.....

[???] "Hohoho. You have a very lively one..... Yamato."

What's so funny for this demon, laughing with satisfaction while looking down on me like that?

[Yamato] (D, demon! Why, something like this.....?)

Right now, I am going to be raped by the demon.

Let us recall recent events to see how did it come down to this.

[Yamato] (I'm sure that.....)

[Yamato] (Oh, yeah..... I did take a nap!)

[???] "What's wrong?"

[Yamato] "Umm... Is this a dream?"

In response to my question, the demon straddling me blew her cheeks.

[???] "Aha, ahahahahahahahahaha! You are a funny lad..... Did I sound like that?"

[???] "Ahahahahahaha..... What an amusing fellow. Indeed..... This is a dream. Or at least half of it is."

[Yamato] "Half?"

[???] "A borderline between dream and reality. Oh well..... It's funnier to think of it as of a dream."

[???] "Now, instead of greeting, I'm going to have a little taste of you..... Fufufu."

So said the demon, while slowly swinging her hips back and forth.

I don't know what kind of material it was, but the demon's clothes had a strange smooth feeling to them.

The fabric was ultra-thin, sending through body temperature and softness of the demon's skin right across to me.

Each time her hips swings, the backside of my meat pole is rubbed by a sudden softness, which is making wet sounds.

[Yamato] "W, Wait a second..... So suddenly? Uaaaaa..... Auu!"

Every time it rubs me up, an indescribable sensation is running through my spine, causing me to spasm.

[???] "What's wrong? I can see it on your face, Yamato..... Does it feel good?"

While skillfully adjusting the position of her hips, the demon continues to rub against my meat rod with her slippery clothes.

[Yamato] "Oguu..... Ooooooooo~. Who would have thought that dreams could be this enjoyable?"

While the demon listened to my words, she showed a fearless smile, glimpsing her fangs.

[???] "Ahahahahaha! You're such an honest kid..... Aren't you..."

[???] "I wonder if you're bold like that, or maybe you're just stupid."

[???] "Oh well..... You are a man of our clan after all. Even if it is no more..... Kufu, haha."

[Yamato] "Eh.... C, clan?"

The word gets caught up in my mind, somehow preventing me from further enjoyment of this dream.

The demon said so too, that this was not just a dream.

[???] "Nkuu..... Haaan..... Nn, nkuu, naahn! Afuu..... But still, it's so hard."

[???] "It's like your penis is made out of stone~. Nkuu..... Is this what they mean by youth?"

[???] "Fuuhaan..... This. this curved form. That kind of penis..... Kufuua..... Not even one of the men that I've ever been before was this..... Aaaaan."

The demon shows an entranced expression.

She lets out a sigh from her lips, faintly tinged with passion.

[Yamato] "Aaguu..... It, it feels good!"

Through my meat pole I can feel that on the other side of thin clothing how her secret place begins to open.

Blooming flesh petals expose their inner moisture, beginning to drip with warm love juices.

[Yamato] "It feels good..... But it's dangerous that way."

[???] "What's 'dangerous'? Try to say it, Yamato....."

[Yamato] "Haa, haa, haa, haa..... Auuu. Miss... You are a demon, right?"

[Yamato] „At this rate my soul is going to be sucked out..... Am I wrong?"

My opponent is a demon. And thanks to my instincts, a sense of fear is creeping out through the waves of pleasure.

[???] „Ufufu..... It's alright. Haa, haa, hafuu..... Aan. I'm not going to do so..... Since you're special."

[???] "Haan..... Nn, nn, nn, nhaaah. I'm not going to suck out your soul..... So rest assured..... Aaa."

[Yamato] "B, but....."

Being told something like this, I was not such a fool to just ejaculate like that.

[Yamato] "Kuua.....!"

Every time she rubs me, a raised voice leaks from my mouth.

[Yamato] (This is seriously bad..... Is it possible that she's doing it unconsciously?)

[???] "Take~this! If you stay absent-minded like that, something unexpected might happen, Yamato..... Haan, aaa, aaaaaaahn."

[Yamato] "Kufuu....."

My face jerks in a frown, while I clench my lips.

[???] "Haan..... Aa, aa, aaaun..... Still resisting? Haan, haa, haa..... Oh well, I guess that's fine, too."

[???] "Then let's make it a duel..... Kufu. Me or you..... I wonder which one of us will finish first..... Aaaan."

[???] "Your strong penis, or my sensitive place..... Kufuu."

[???] "If you win, I'll back down quietly. But if I win..... Let's see..... I will take away all of your power."

That thing is close to the way in which "Nightmare" demon type behaves. It invades the dreams of humans and sucks their energy out of them.

[???] "Of course..... Yamato..... Decision is yours. Aaa..... Well? Haa, haa, haa..... Aa, sounds interesting?"

[Yamato] "Umm..... The victor is going to be the one who what?"

[???] "You fool! I said that the first one to finish will lose!"

[Yamato] "Shit! You can easily predict that I'm going to win, and just in two seconds!"

[Yamato] "Oh, fine! You want to suck my energy so badly?"

[Yamato] "Take this..... Miss demon!"

[???] "Haan..... Aaa, aaaaaaan..... So, let's start! Having something like this done to you..... I wonder how long will be able to withstand it?"

A feeling of wetness and softness clung around my meat rod, clearly coming off from her special place, covered by thin clothing.

In that moment, my whole crotch was engulfed in pleasant heat.

[???] "Fufufu..... Your hips are shaking, you know what that means? Haahaa, aaaa..... Kufuu."

[Yamato] "Same to you, see how wet your pussy is? You are about to come at any second!"

Completely out-of-the-blue, I regained the ability to move my motionless body.

I started pushing myself with wiggling motions against the demon straddling me.

[???] "Kuhaan..... Aaa, aaa, aaa, aaa! Y, You little..... Pushing so hard..... Nkuu."

[???] "Haaguu..... Ha, ha, that's so like you, Yamato. Aaaaa, my pussy..... It's rubbing against my pussy..... Aa, aagaa!!"

[Yamato] "Nkuu.....!"

I still vigorously shake my groin.

However, this is a double-edged sword.

At the same time, the feeling of the demon's slit also stimulates my meat rod.

If I were about to lose my concentration just for a moment, my semen would burst out immediately.

But right now I just can't afford myself to stop.

[???] "Aafuuu..... Aan, so thick! A thick head is..... head is..... rubbing, my, my, my clit..... Nkuu, nnn, nnnnnnn!!"

However, the demon doesn't stop her movements either.

Chupu, Chupu, Chupu, Chupururu!

Skillfully moving her waist, she continues to rub and press her slit against the head of my dick.

The fabric of her clothes is covered in her love juices secreted from her slit, clearly showing off its shape.

Furthermore, the juice drips and overflows from her opening, covering the head and shaft of my dick, lubricating it and making the slides smoother.

The hot secretions from her slit are enough to make me feel like I'm melting. And her soft nether lips wrap around my prick.

The stimulus that I'm feeling from her clothing is quickly towering up upon my dick, making me lose all of my self-control.

[Yamato] ".....Ukuu! A, At this rate..... Aaaau."

I ignore my trembling consciousness and jerk my waist.

My body is seeking this soft body of the unknown demon.

Slowly, the pleasure that I'm feeling on my dick starts to dominate my brain.

[???] "Aaaaa, haaa, haaa..... Aaaan!! So, so intense..... It's almost like thrusting this penis directly in..... Ha, ha, ha, haaan!"

[???] "More..... More..... Aaaaan, aguu. This feeling, after so long..... Kufuu, good, Yamato..... It feels good..... Aaaan."

The demon's cheeks were flushed. Her forehead was dripping with sweat.

Perhaps because of this, that demon's sweat seems to have pale, almost peach-like fragrance that stimulates my nose.

[Yamato] (Ah..... It smells so nice.! Fragrance of a girl~)

Its aroma penetrates deep inside my nose, going to my frontal lobe and deeper into my brain, working on me with the force of an aphrodisiac.

[???] "Good, good, Yamato..... Aguu. That face intoxicated with ecstasy..... Although goofy, I just can't get enough of it."

[Yamato] "Uguuu..... Ha, ha, haaaaa..... Aaaaaaa..... Ugu."

[???] "What is it? Your voice is leaking out..... It's so, so cute..... Aaaah."

Waving her waist back and forth, the demon was too intoxicated with carnal desire which my meat rod was giving her.

[???] "Haa, aan..... Nnn, nkuu..... This is it? Is this finally it?"

[???] "It's okay to blow up. Nkuu..... Aaa, an..... Judging by this strong penis, you'd better blow a really big load."

[???] "Aan..... I'm going to show you. You are going to drown me in it..... It's very hot but it's good..... Nn, nn, nnnnnnn, nhaa!"

Her tone is similar to a little kitten. From her eyes comes glimpse like a snake's.

[Yamato] "Ha, ha, ha..... Kuhaa!! I do not intend to do that."

One-sided sex is nothing but irritating.

[Yamato] „Easier said then done!!!"

I put more force on my lower back, pushing it up and aiming at her dirty place.

The stain over her slit is growing larger, caused by her petals being pushed open by my swollen to the limit glans.

[???] “Hiyaa, aaa..... Nnnn, nn, nn, nn, ngaa!!! Aaaan..... I, I feel like..... I feel like I’m being raped!”

[???] “Aguu..... Hiyaaan! It’s going in..... Penis is..... Your penis is spreading my naughty hole so much..... Kuhaaaaaaaaaaan!”

Showing next to none resistance, the demon suddenly shows a glossy reaction.

Forget the fact that she’s short on breath, drool is constantly overflowing from her open mouth, dripping onto her narrow chin and neck, leaving behind a glistening trail on her skin.

[???] “E, even though it’s not coming in..... Even though it’s not coming in..... It’s pressing against me so incredibly hard..... Agu. Ha, ha, ha..... Kuhaa!”

[Yamato] (Now it’s time to settle this duel!)

I then grab the demon’s waist from both sides with my hands, continuing to rub her strongly with my meat pole.

[???] “Aa, this..... Afuu, aaa, aaaaa! H, hot, it’s so hot..... My naughty hole feels like it’s burning!!”

[Yamato] “Guuu.....”

If this demon here is the same as normal human female, there is just no way for her to not feel stimulated right here.

But demon overwhelms me with her body weight and begins to iron my penis.

[???] “Nnn..... Kuuuuu. Nhaa, nhaa..... I’m feeling somehow tingling. AaaAaaAaaAaa..... Kuuaah.”

[???] “My naughty hole is..... It, it’s the first time it ever felt like this! Why do I want this penis so much..... Aagaan. Ahii..... Afuu, AaaAaaAaa, aaann.”

[Yamato] “T, this demon..... Come on! Finish already!”

[???] “Kuhaan..... Aagaa, aaa, aaaaa, aan!! You too..... You’d better finish, too. Nkuu..... Holding yourself back is bad for your body!!”

[Yamato] “Gugugu..... That’s my lineeeeeeee!”

At times like this, when your pride is on the line, you just have to endure.

[???] “Upuuu? Haa, haa, haa..... You, you can still hold it out!?”

[Yamato] “Like I would just come like that!”

I might have said that, but I would soon reach my limit.

The desire keeps on swelling at the root of my dick, boiling up and being converted into white, cloudy mucus.

Gradually, it became a huge mass filling the insides of my cock to the brim, waiting of its chance to be shot out.

Right now, I’m fully committing myself to pushing my meat rod into her vagina. Such impulse is surging and boiling in me.

The presence of that thin material is so frustrating.

The urge to come is so frustrating, that my cock starts to squirm on it’s own.

[???] “Aguu! Aaa..... Incredible..... It’s quivering. This penis is making my pussy’s entrance quivering! “

[???] “Don’t, don’t..... If I’ll quiver so much..... Agu. I, I, I can feel it..... Reaching all the way!?”

[Yamato] “Alright, here I come!”

[???] “W, wait..... Aaaa, aa, aa, aa, aagaa! Haa, akuu.....”

The body of the demon began to tremble, and jiggle, and bounce.

[Yamato] "I'm going to rub it more! More vigorously..... More strongly!"

I obediently follow my own words, rubbing myself against the demon and knocking her thin waist.

[???] "Afuu! No way, I'm..... Cumming.... Cumming, cumming, I'm cuuummiiiiinnnngggggg~!!"

[Yamato] "Aaa, shit! M, Me too..... Me too, I can't!!"

At that moment, my hips jump.

Splurt, splurt, splurt, splurt.....!

Accompanied by a series of pulsation, I spit white, clouded mucus from my gaping and open glans.

The sticky mucus shoots high into the air, only to fall on top of my belly, putting long and shining stains on it.

The demon was twitching and convulsing like crazy, while arching her back backwards.

[???] "Kaha!! Aaa..... G..... G..... Good..... It feels so good~"

The demon's body squirms in convulsions, while enjoying her lingering climax, she continues to sighing with passion while looking upwards.

[Yamato] "Aaaaaa, aaaaaaaaa....."

The front of my eyes turned all white.

Eventually when the demon straighten her body up, she watches my belly spotted with my semen, and laughs with satisfaction.

[???] "Aguu..... Aaaaan..... Hahaha, ha, ha. Ahaa, ahahahahahahaha. You, you finally came..... You stubborn man."

[???] "Haa, haa, haa..... Ufufu. Even so, you let out quite a lot, Yamato..... Aan."

[???] "This smell..... It's unbearable. Aan..... The rich smell of man..... It's almost choking."

[Yamato] "Haa, haa, haa..... I, I won..... I was the one who lasted longer."

[???] "Wh, What are you saying? I beat you by a moment."

[Yamato] "I beat you!"

[???] "Victory is mine."

[Yamato] "It's mine! Weren't you the one who was quivering before me?"

[???] "You, don't you understand what it means when the girl is cumming? There is just no way that any man could..... The victory is mine."

[Yamato] "Mine, god damn it!"

I have no intention of backing down. It's because after coming this far, I don't know what would happen.

[Yamato] "..... Ugugugu..... Mine!"

[???] "Mine."

[Yamato] "....."

[???] "....."

[???] "Well then..... How about calling it a tie?"

[Yamato] "Uu~n. Yeah..... Good idea, this is....."

It's better then losing.

[???] "Fufun.....We will meet again, Yamato. Soon, when the other you will come out....."

[Yamato] "Eh? Another..... Me?"

The demon glows blue in front of my eyes.

Becoming the white haze, it melts into the darkness as if blown out by the wind.

[???] "Fufufu, fuhahahahahaha!! I don't know why, but..... You have grown strong."

[Yamato] "Another person....."

[???] "Oh well. We will be seeing each other..... Very soon."

[???] "At that time, let's have sex again..... Yamato....."

[???] "See you..... Ahahahahahahahahahahahahaha!"

[Yamato] "Ah, w, wait! Wait just a second..... Wait, demonnnnnnnnnnn!"

[Yamato] "D, Demonnnnnnnnnnnnnnnnnnn!"

SCENE 2

[Yamato] "..... A..... A dream....."

I lift my upper body up while opening my still sleepy eyes.

I can no longer hear the crying of cicadas from week ago, and I was released from this burning hell of a room without air conditioner, so the arrival of season of autumn was really a nice change of pace.

From the large, wide open window wind comfortably sways, brushing my cheek as well as my folded pillow and futon, while I was taking a nap on the tatami floor.

Even with that kind of dream..... It was pretty relaxing.

My name is Tachibana Yamato.

This is an apartment without air conditioning and a rent of 15,000 yen per month used as an office for the [Black Cat] Exorcism Agency.

Exorcist..... It is a profession centered around getting rid of demon and cleansing evil spirits, banishing the darkness of this world and delivering evildoers to justice.

It has a long history, existing as early as in Heian period or even before that, but there are very little details regarding that.

Anyway..... In this world full of darkness, Exorcists are the allies of justice which has continued to fight in secret.

For us Exorcist, it is also important to rest. Same thing could be said about any warriors.

This is the meaning of this 'blissful nap'.

[Yamato] "Even so..... It was such a realistic dream."

A short sigh escapes from my open mouth.

Originally, such thing as waking dream is pretty ambiguous.

However, my hand still vividly remembers the feel of her skin, and my nose still remembers that pale aroma.

Even now, after waking up from that dream, my erect meat rod is pushing up against my tight pants, squirming like crazy.

[Yamato] "Ah....."

At once I pushed my hand in my pants.

The insides of my pants, although tinged with steamy hot air in the afterglow of my erection, I was worried that this phenomenon might not occur.

[Yamato] "It's okay..... It wasn't a wet dream. If it was, that would be embarrassing."

[Yamato] "If Mikoto were to find out about this....."

[Mikoto] "What was that about me?"

[Yamato] "Dowaaaaaaaaaaaaaaaaaa!!!"

From behind my back lightly appeared a beautiful girl with hot chest and a long, smooth hair made into a fluttering ponytail.

Although she was dubiously designating as a dew, she was cheerful and had lovely looks. Not to mention that she had a perfect figure that everyone would get envious about.

Her name was Shiratori Mikoto.

She is an Exorcist working at this [Black Cat] Exorcism Agency.

Although we are colleagues from work, we are also our own nemesis, and we had been engaged in a lot of quarrels.

[Mikoto] "Yamato..... You were having a naughty dream?"

[Yamato] "Bu! Wh, what evidence do you have for such a thing!?"

Mikoto squinted her eyes as if to contempt me.

[Mikoto] "You were jerking your waist while sleeping..... And to add, you were making weird noises..... Yamato, you're the worst."

[Mikoto] "Ah, what a shame, what a shame. Did you even came while you were asleep?"

I felt my temple becoming hot.

But as a matter of fact, when something like this is flat out pointed like that without any emotion, you would feel anger way greater than any embarrassment.

[Yamato] "Wai..... You, what's that supposed to mean!"

[Yamato] " 'Wet dreams' are not only related to men alone..... It is not impossible for women to have them, too!"

[Mikoto] "I, I haven't heard of anything like that!! Don't just blurt out such embarrassing things..... Idiot."

Mikoto's cheeks are turning red, while she turns her eyes away.

[Yamato] "You haven't heard!?"

[Mikoto] "I haven't heard!!"

[Yamato] "You must have heard!?"

[Mikoto] "I haven't heard! You hips pumping while asleep..... Pervert Yamato!"

[Yamato] "What was that~! You big-tited ghost!"

[Mikoto] "What did you say~! You..... Perverted twister wet dreamer!"

[Yamato] "Nugugugugugu~, I see that you have added new words to your vocabulary....."

While me and Mikoto were fighting each other, we were only inches away from jumping at each others throats.

Our clash was so fierce, that even a small sparks could probably be seen bursting in between us, hitting one another.

Soon, Mikoto was so close to me that I could feel the pleasant fragrance of hers tickling my nose.

My head is full of this eloquent 'Big-titted ghost'.

[Yamato] "To begin with, I'm not having wet dreams!"

[Yamato] "By the way, you..... Did looking at my sexy waist turned you on?"

[Mikoto] "Just who would get turned on by such wet-dreamer like you!?"

[Mikoto] "Compared to you, the person who had been watching fungus growing in the corner of the kitchen is more meaningful....."

Bumping our foreheads together, they begin to emit a grinding sound.

[Yamato] "Am I? Then should I show you my genuine....."

[Mikoto] "That genuine nature of yours is not showing at all because of the sultry. It's annoying after it finally cooled down."

[Yamato] "Nya, niyanio~. If there is something sultry here, that would be your boobs....."

Mikoto and I, pressing our foreheads against one another, were rubbing them strongly, sending sparks flying into the air.

292 BANG!

Suddenly, thick phone book that was swung down from above onto their heads, making a loud noise.

Mikoto and I, being hit by the corner of the phone book, we fell to left and right like a bamboo split in half.

[Yamato] "Agaaaaaaaaaaaa..... My head~, my head~!!"

[Mikoto] "My forehead~, my forehead~!!!"

[Takeru] "Just stop it already..... You two....."

At the same time, someone came in between the two of us, forcing us apart. Her name was Shiratori Takeru.

At first glance, although her clothes looked like a man's, the voice coming out of her thin lips was most certainly that of a woman.

Her face was beautiful and graceful. From behind the narrow glasses looked quiet eyes, giving off a feeling of great intelligence and thoughtfulness.

Covered in the uniform is the stoic, beautiful girl, whose charm was completely different then that of Mikoto.

She was also an Exorcist working for [Black Cat Exorcism Agency], and furthermore, she was the twin sister to that 'big titted ghost' Mikoto.

They seemed to be fraternal twins, but they were the rare case in which both their looks and personalities were totally different.

Recently, I began to think: 'Aren't they a little too dissimilar?'

[Yamato] "Guohohohoooo~. Ta, Takeru..... Phone book? Isn't the destructive power of that thing a little bit too high?"

[Mikoto] "Aguuuu..... T, that's right, Takeru. Wouldn't a rounded magazine be better? You could have split my head open.

To Mikoto and me, agonizing over our foreheads, Takeru showed a carefree and pleasant smile.

[Takeru] "I'm sorry, I'm sorry. It was the only thing which was at hand, so....."

[Takeru] "But, with this it will take less time and effort. That being said..... Sis, Tachibana-kun, try not to let me down."

I am laughing, but my eyes are not.

Me and Mikoto immediately arrange ourselves in a row, lowering our heads and dropping our shoulders.

[Mikoto] “.....Yes.”

[Yamato] “I understand.”

[Yoru] “Are you done with your usual fooling around?”

[Yamato] “Fooling around.....”

From behind Takeru, a thin black cat came while floating in the air.

Normally, if someone were to see such a thing, they would without a doubt end up screaming. But here, this was perfectly normal sight.

[Yoru] “Funya~. What a great weather..... I was also sleeping this whole time.”

On a closer look, you could see bed hair stuck on its beard.

A black cat floating in the air and being surrounded by death candles, such monster is called ‘Nekomata’.

His name is Yoru.

Why such monster is calmly floating in the middle of the room? Because he is the chief of the [Black Cat Exorcising Agency].

Yoru is a skillful familiar, with a whole lot of stretched bed-hair.

Me and Mikoto. Takeru with Yoru. And my childhood friend Sui, whose currently absent from the office.

Those 4 people and 1 animal are the members of the [Black Cat Exorcising Agency].

Honestly, the management has it tough and is doing poorly, but we always happily join forces together to avoid living in poverty.

[Takeru] “So, chief, now that everybody is here..... Wasn’t there something that you wanted to talk to us about?”

After finishing fixing his bed-hair, Yoru was going to start grooming his whole body, but then Takeru spoke.

[Yoru] “Ah..... That’s right. I nearly forgot, nya~.”

Yoru clapped with his pink paws.

[Yamato] “Wanted to talk..... Is it about a job!?”

[Mikoto] “Yay! And here I was getting worried, since recently there was no work to be done. Does this mean we are getting paid?”

[Yamato] “Without any salary, I thought I would just collapse here!!”

[Mikoto] “Yeah, yeah! No matter what kind of a job it is..... I’m going to give it my best~.”

Me and Mikoto put our hands together in pure rejoice.

[Yoru] “No..... It’s not about a job, nya.”

Yoru declared seriously.

[Mikoto] “Eeh? No way?”

[Yoru] “Funya. You will soon become full-fledged Exorcists, and aren’t you going to finish your training, nya?”

[Yoru] “Although this isn’t work..... I think that this a good opportunity, nya?”

[Yamato] "Eeh~, a new training? I think that right now we are doing enough of 'good work'. I don't need any special training."

Right now, I don't want to start a new training.

[Mikoto] "Ahahahahahahaha! Now, now, you should have said so in the first place, Mr. Half-Baked Yamato-kun."

Mikoto looked at me while grinning.

[Mikoto] "Me and Takeru can manage the job of Exorcists by ourselves, but you have to study hard to finally graduate from being Half-Baked!"

[Mikoto] "Maybe then you'll be of any use..... Nihhi!"

[Yoru] "Mikoto..... The same goes for you, nya."

[Mikoto] "Eeeeeeeeeeeeeeeeeeh~! Why me, too!?"

Mikoto was in a state that couldn't quite be expressed even with her whole body, while pressing floating Yoru for an answer.

[Yamato] "Then shall we go together? Ms. Half-Baked Mikoto-chan..... Nihhi!"

I looked in Mikoto's face while grinning.

[Mikoto] "Uguuu..... Hey, Yoru, explain this!"

[Yoru] "It's not only you two..... Takeru too."

[Takeru] "....."

Mikoto directs her gaze to Takeru. But Takeru only shakes her head.

While Yoru moved his beard up and down, he cleaned his throat with a small 'kohon'.

[Yoru] "To become the Exorcist, one does not need a license of any sort. So, what do you have to do in order to become a 'full fledged Exorcist'?"

[Yoru] "And since there is no such a thing as 'track record', it is difficult to prove one's list of accomplishments....."

[Yoru] "So the Exorcists from ancient times has established one final training called 'Alchemy' , and allow the people who finished it to serve, nya."

[Yoru] "To be allowed to participate in 'Alchemy', the person needs to have some experience in demon extermination."

[Yoru] "The completion of 'Alchemy' is notified to all Exorcists in Japan, thereafter the one is treated as full-fledged, nya."

[Mikoto] "So..... Without that training, the three of us are just half-baked?"

[Takeru] "Isn't such a thing called 'Reserve Exorcist'?"

Takeru, who up until now was only listening to the conversation, spoke for the first time.

[Yoru] "That's right. The Exorcists Head Office calls them 'Reserve Exorcists' or 'Exorcists Apprentice' , and are treated differently than normal Exorcists, nya."

[Yoru] "Since Takeru has delivered all sorts of documents to the branch, are you familiar enough with it, nya?"

[Takeru] "Yes..... Several times, if I remember correctly."

Just as Yoru said, Takeru is in charge of paperwork here in Black Cat Branch Office.

She also makes the most interactions with the Head Office, so naturally she gets to see the contents of it often.

[Mikoto] "Whaaaaaaa~..... What a shock! What's the deal with this 'Reserve Exorcists'? Why aren't we getting the same treatment as normal Exorcists?"

[Takeru] "No. It's not about Sis being Reserve Exorcist....."

Takeru says apologetically.

[Mikoto] "Then what?"

[Yoru] "Here, only Takeru has the title of 'Apprentice Exorcist'? Mikoto is 'A joke of an Exorcist', and Yamato is registered as 'Homestay', nya."

[Yoru] "Sui is Director's secretary, nya."

That Sui was send to the Main Office.

[Mikoto] "What is this..... That's so cruel~. Just kidding..... Is the Head Office okay with that? What a sloppy organization!"

[Yamato] "D, discrimination..... That's too much of a discrimination. Even for the Exorcists....."

The selection for the potential Exorcist candidates seemed to be left to the intuition of each branch manager.

And when you think that it was left to this black cat, even I get a little bit dizzy.

Mikoto's mood was roughly the same.

She pressed her long fingers against her forehead as if trying to withstand a headache, shaking her head from side to side while swinging her smooth ponytail.

[Yoru] "Now, now. By performing this final training, you will also become a respectable Exorcists."

[Yoru] "Your status may increase! And so is your salary, nya."

[Yamato] "Salary raise!"

[Mikoto] "Is that true!?"

[Yoru] "It's true, nya..... There is a huge difference in salary between the real deal and apprentice."

[Yoru] "Takeru also checked that in company's rules. Apparently, base salary raise is a fact."

[Yoru] "What do you want to do, nya? You want to try? Or maybe you want to wait untill another opportunity comes, nya?"

[Mikoto] "I'll do it..... I wanna do it! I cannot stay a 'joke of an Exorcist' forever!"

[Yamato] "I'll do it, too. Besides, what's the deal with this 'stay and help at house chores!?' "

[Yamato] "Special training or whatever, there is just no way that this 'Super Genius Exorcist Tachibana Yamato' can't pull it off!"

[Yoru] "Are you going too, Takeru?"

[Takeru] "Of course."

Me, Mikoto and Takeru, the three of us nod our heads strongly at the same time.

[Yoru] "Umu! Very well, nya."

[Yoru] "The stage of your final training will be Ayagami village, nya."

Ayagami village. Hearing the name of that place, Mikoto and Takeru's faces flinch.

In Japan, there are several areas which cultivated Exorcists.

The inherited knowledge of the arts to fight demons, as well as day-to-day research, all of those sum up for the unique training methods.

Many such rural settlements existed far away from the public eye, they were the lands which continued to produce an excellent Exorcists. This one was called 'Ayagami Village'.

And, that place.....

It is a place which Mikoto and Takeru call 'home'.

SCENE 3

Harvest being right around the corner, the gentle wind made the sea of rice sway occasionally.

Golden waves flowing from left to right before my eyes, disappearing immediately into the distance.

Ayagami village.

From the Black Cat Branch Office it was a 6 hours ride on a train with different connections. After getting off the train, the village was in the mountains, an hour ride on the bus.

The bus made one tour every three hours, and when we get off the aroma of rice bathed in sunlight greets the three of us.

Compared to the town that we were living in up until now, the temperature here seemed to be 2~3 degrees lower.

It is a pleasant temperature, the one that let's you fully enjoy this season autumn, but this difference also serves me as a reminder that I 'came this far'.

[Mikoto] "Uwaa~, it's been so long! This place hasn't changed at all."

[Takeru] "Yeah..... It's just like the old times."

Mikoto and Takeru are raising their voices in sheer admiration while looking at their surroundings.

[Mikoto] ".....Hm? What's wrong, Yamato? You don't look so well..... Bus sickness?"

I was staring at the mountains, stretching as far as eye could see.

Ayagami village. I know this village.

No. I thought I knew it.

When I was a child, I seemed to have spent some time here in this area.

Or it was 'likely' that I have, because I don't seem to remember much from that time.

I heard from Yoru that I was living here before, but I don't know is it was true or not.

If this sight before me can be described with such feelings as 'nostalgic' or 'familiar looking', then that information would be much more believable.

However, I do not know.

Is it nostalgic, or is it not. If I remember it, or if I don't.

Just think about it. If you try to remember, you will remember some things. And my thinking was stagnant, as if wrapped by a thick fog.

[Mikoto] "Yamato? What's wrong, Yamato..... Hey, Yamato!?"

[Yamato] "Ah? Ah..... It's nothing."

[Takeru] "Tachibana-kun, are you alright?"

Mikoto and Takeru take a peek at my face with care in their eyes.

[Yamato] "It's okay, it's okay! It's just..... This countryside surprised me."

[Yamato] "That and..... I so tired!"

I show a heavy sigh.

Seeing me like this Takeru shows a smile, firmly holding to the bag hanging from her shoulder.

[Takeru] "We have traveled a long way. But we're near our house now..... Hang in there, Tachibana-kun."

[Mikoto] "Let's go, let's go. Mom is waiting."

There is also a fact that after being absent from home for such a long time, Mikoto and Takeru are full of energy. Mikoto was even skipping every few steps while walking.

I glance at the face of the sun to the west of a mountain summit, straighten the luggage on my back and go after those two.

[Yamato] "... .."

[Yamato] "Well, how should I put it..... It's so normal, just as I thought."

While I keep tottering after the two, I spilled my honest thoughts by accident.

It's because I thought that an Exorcists village would have more mystical or magical aura.

Every resident, I was wondering if they were living a life of hermits.

Most of all..... What was it like to live a life of a hermit, I had absolutely no idea.

[Mikoto] "What do you mean by normal?"

Mikoto looks back, fluttering her silky ponytail.

[Yamato] "Electricity coming to houses is common. More like..... I thought that life here would be more self sufficient..... Like living in pit houses or something like that."

[Mikoto] "Ahahahahaha. This, what kind of era are you talking about....."

[Yamato] "It's not about that..... Or maybe it is. Like everyone is living in a shrine-like houses."

[Yamato] "And because I was told that this would be an Exorcists village, I was wondering what kind of image would it be~"

[Takeru] "Fufu. Certainly, most of the people here are doing their Exorcist job as a side job besides being shinto priests, but I believe that many people are just plain and ordinary."

[Takeru] "Even us, right?"

Certainly, our line of work revolves around demons as the other party, so for us that kind of life can be nothing special.

And then you go shopping at convenience store and watching TV. Life right now is effectively utilizing gains of civilization.

You could say that just because they were Exorcist, they did not dare to discard conveniences of modern civilization.

[Yamato] "Certainly, yeah~"

I mumble while nodding, and enjoy the 'too normal, rural landscape' that is spreading before me.

[Mikoto] "A~..... We're almost at home. You can soon see it, just around that corner."

[Yamato] "U, Un."

Mikoto and also Takeru, I have known that they were living in this village, so I also understand that they have a lot of memories from that time.

But for them to not go too deeply into it in front of a 'first timer', for that I was grateful to these two.

[Mikoto] "It's here, Yamato.]

[Yamato] "... .."

[Yamato] "... .."

[Yamato] "... .."

As expected.

As expected..... It is.....

As expected, Mikoto and Takeru's house was far better than a 'normal house'."

[Mikoto] "Mom, we're back~!"

As soon as she enters the house, Mikoto throws her luggage on the ground and runs into the back of the house.

Me and Takeru pick up her luggage and proceed to enter as well, one after another.

[Mama Hatsune] "Welcome back, Miko-chan. My, my..... Have you got a little fatter while you were away?"

[Mikoto] "Th, There's no way that I gotten fatter~"

[Mama Hatsune] "Ufufu..... You too, Take-chan, welcome back."

[Takeru] "I'm back, Mother."

Showing a friendly, encompassing smile, it's just like a warm wave spreading across the room.

This pleasant atmosphere has its effect on me as well, letting me recover from my fatigue after a long journey.

This person, she is Mikoto and Takeru's mother.....

She is surrounded by aura of quietness and charity, completely different from cool and composed Takeru and boisterous Mikoto.

But, if you take a closer look, you could see some common points between parent and children.

Calm demeanor is very similar to Takeru, her aura is just like Mikoto's, just like the color of her hair and plumpness of limbs.

When her eyes turn to me, I quickly lower my head.

[Mama Hatsune] "Nice to meet you, Yamato-kun. I am Mikoto and Takeru's mother, Hatsune."

[Mama Hatsune] "Thank you for always taking care of my daughters."

[Yamato] "Y, Yes..... Nice to meet you, too! I'm Tachibana Yamato."

[Mikoto] "Have you really been of any help? It's more like the other way around..... Right, Yamato?"

[Yamato] "... .."

I show a bitter expression to the words of Mikoto, and Hatsune-san starts to giggle gently.

[Mama Hatsune] "But still..... You have grown so much, Yamato-kun~. Almost beyond recognition."

[Yamato] "Eh....."

At first, Hatsune-san did say 'Nice to meet you'. But now her words indicate that we have met already in the past.

I also had no memories of Hatsune-san in my past. It was a strange feeling.

I didn't know what to think about all this, but Hatsune-san had shown me nothing but beautiful smiles full of compassion.

[Mama Hatsune] "All three of you must be tired, right? The dinner will be ready shortly, so take it easy until then."

[Takeru] "I'll help you, Mother....."

[Mikoto] "I'll help too....."

[Yamato] "Then..... Then..... Me, too....."

[Mikoto] "Why would you want to help!"

[Takeru] "Tachibana-kun, you should rest....."

[Yamato] "U, Un. Then..... I will do so."

Although I involuntarily tried to 'help' at the moment, it would seem that I would only be disturbing that parent-child reunion after such a long time.

While quietly spending my time, I took a sip of the tea that Hatsune-san brew for me, listening to the gorgeous distant voices of three women.

After that, I enjoyed a delicious home cooked meal made by them, healing the fatigue of today's travels and crawl into my futon early.

Quiet darkness of Ayagami village almost immediately draws me into the world of sleep.

SCENE 4

Drifting in the darkness, a strange light is shining.

That light gradually been creeping up, making me regain my consciousness.

[Yamato] "... .."

[Yamato] "... .."

[Yamato] "... .."

Faint darkness is gradually turning brighter.

It seemed like that darkness has been sucked away by someone.

My body is heavy as lead.

This feeling..... I feel like I've experienced something like that before.

[Yamato] "Nn....."

My turbid consciousness tries to concentrate, but it does not go well.

I can't say for sure, but it looks like something is in front of my eyes.

There is a blank, human-like contour.

Around my thighs, I had felt someone's warmth.

This situation..... I had a bad feeling about this.

[Yamato] "Uuu....."

The tender feeling of flesh touching my groin.

On the lower part of my body, I can feel warmth of human skin.

[???] "Hoo..... You regain your consciousness faster than before."

[Yamato] "Y, You again..... Demon!!"

I don't know why, but again I find this demon sitting on top of me.

Her shiny skin is dazzling.

And..... Spectacular. This demon was riding on top of me without a stitch of clothing on.

Only then I notice that regardless of my intentions, my meat rod has been standing lively and happily.

[???] "Ahahahahahahahahahahahahaha! You're already so strong and hard..... What an honest guy."

[Yamato] "Wh, uah....."

Demon showed a bewitching expression, while quickly moving her hips.

My meat rod closely contacted with demon's secret slit.

Her big flesh petals were flowering to the left and right, their insides having a pale pink color, and being covered in wet, slimy love juice.

Pink mucosa is soft and fluffy, charged with dampness and heat.

[???] "Ahahahaha! As usual, you show such a idiotic face."

[Yamato] "Sh, shut up.....!"

While enjoying my reactions, demon swung her hips back and forth. Her petals traced relentlessly over the whole length of my meat rod, covering it with her fluid. In reaction, my spine trembled and buzzed.

Each time the demon moves, her breasts swing and bounce in front of my eyes.

[Yamato] "Kuaa..... Haa, haa, haa....."

[???] "Kufuu..... Good, Yamato. It tickles..... So hot..... You've got so hot erection."

Why is this demon even straddling me? Not knowing the reason, while thinking I'm being attacked by a waves of pleasure.

[Yamato] "Haa..... Uguu!"

Although I manage to endure, having my sensitive turtle head rubbed by that wet flesh petals made that really hard.

[???] "Is it hard to endure?"

[Yamato] "Uuuuuuuuu..... Haa, haa, haaga, as if something like that would be hard to endure....."

Actually, every time I'm being rubbed I desperately try to hold out that impulse of lust that is raging inside of me.

[???] "Nfuu..... Kuhaan. Then, what is this slimy juice that's been leaking out of this?"

Pleasure runs through my body with every single rub, causing my meat rod to stand up painfully.

The tip of the hard enlarged glans expand into a gaping hole, a thick transparent liquid is flowing out of it.

Nyupu, nyupu, nyupupurun..... Nyuron.

It drips the transparent juices over and over again, while my big, blood filled dick squirms in convulsions.

[Yamato] ".....Uguu. This is..... Dick's tears."

I don't know what I'm saying myself.

[???] "Ahahahahahahahahahahaha! Tears, is it..... Isn't that perhaps the tears of gratitude?"

[Yamato] "No..... At least not in that sense....."

[???] "So does this means that my naughty hole feels that good?
Ahahahahahahahahahahahahaha!!"

The demon laughs in a loud voice. I glare at her while feeling terrible shame.

This demon..... Why did she came into my dream?

My dick is engorged to the limit, but I feel like the demon's pussy is the same as well.

[???] "What is it? You're staring at me like that..... What's wrong?"

[Yamato] "... .."

[Yamato] (After all, I just want to have sex? And yet, I ended up saying something stupid.....)

In this state, I can't really blame the demon for saying thing like that.

[Yamato] "... .."

The demon grins, making me break into cold sweat.

[???] "..... Fufun..... This time it's silent treatment?"

This one-sided way of things is something I cannot quite stomach, but as the pleasure approaches my crotch, it causes my irritation to fade away.

[???] "Do you want to have another duel with me?"

[Yamato] (Another 'who cums quicker' contest?)

Last time it finished with a draw.

[Yamato] (Coming from her....., she's probably going to insist on her victory again.)

This time around, I'm going to be more composed then the last time.

Even if I were to attempt the duel and end up losing, there would be no shame to it in those adverse conditions.

Whatever I decide to do, I just can't stay like that.

[???] "If you are afraid of losing to me, how do you intend to win?"

[Yamato] "... .."

Like the last time, leaving the duel unsettled wouldn't be interesting at all. Even if this is not reality, it is a problem related to the man's honor.

[???] "Nuu..... Ahaa, kuhaan. Oh well, good..... Haa, haa, haa, hafuu..... If you're going to keep on being silent, I guess that's fine, too."

[???] "Let us have some fun. Tonight is a fun night..... Nkuu."

Every time she shakes her hips, sweet sighs tinged with passion leaks out of the demon's mouth.

Each time her slit traces over the backside of my penis, it makes wet sounds, and her nether lips pulse and shake.

[???] "Anhaa..... Haa, huuu..... Haa, haa, afuu. Aaaaan..... Nkuu, nkuu, fufuaaaaaaan."

[Yamato] "Haa, haa, haa. Demon sis, too..... Haven't you been letting out sweet voices?"

In an instant demon cutely closes her mouth.

[???] "Yamato as well, your breath is somehow rough. Almost like a wild beast's..... Hafuu..... Haa, haa."

It hit me where it hurts. But calling someone a beast in heat, it really hurt my heart, even further roughing my breath.

[Yamato] "Kuaa..... Haa, haa, haa. If you don't want to then get off of me..... Uguu."

Although I said that, that would be the same as admitting defeat.

[???] "Ahahahahahahahaha! Let's see..... I wonder. I like such a harsh breath..... Afuu, hann."

[Yamato] "..... Right?"

I tried to say like I had nothing to lose, but it didn't work out like that.

[???] "I'm going to rub you some more, Yamato..... Here, feel it some more. Haan..... Nkuu, nnn, nnnnnn, nhaaan."

Niyupu, niyupu, niyupun, niyupurururun.

The love noctar overflows from her slit onto my meat rod, making it glossy and slimy.

I close my eyes tightly, in reply to the pleasure grabbing my spine.

[???] "Aaa, aaaaaan..... Haa, haa, Y, Yamato. Do you want to put it inside me?"

[Yamato] "Haa, haaaa..... Aauu!"

Of course I want to put it in. I don't want that current status quo to continue.

I want to let it all out, no matter how pleasant it may feel. When I think like that, the core of my head becomes hot.

[???] "It's okay..... I, I also want to have a taste of your penis. Haafuu..... Nkuu, nnnnnnn, nhaaan."

Woman's waist floats slightly, sending my squirming and convulsing meat rod into heaven.

On the tip of my engorged to the limit dark-red enlarged glans, demons has slowly dropped her naughty hole.

Though, in my eyes it looked like penetrating spear.

Kuchiuu.....

The tip of the glans touch some warm things.

The moment they touched, my dick wriggles strongly and twitches, in violent agony of being wrapped forcefully by her meat folds.

[???] "Afuu..... Aaa, aan. The tip..... The tip of penis hit my naughty hole."

[???] "Aaa, hot..... Yamato's penis is so hot~. By pussy feels like it's burning. Aguu..... Haan..... Nnn, nhaaan."

But I couldn't completely fit myself into her, since demon stopped somewhere in between.

[Yamato] "U, uuu..... Is this sex, or is it not!"

This is half-murder.

[???] "Nn, what is it? Haa, haa, haan..... You want me wrap around you?"

[???] "Like that, like that..... Do you want to put yourself into my naughty hole? Try to tell me honestly, Yamato."

Demon sis shook her crack back and forth to expose the vivid mucus flowering inside of her, stimulating the head of my penis.

Damp and wet sounds could be heard coming from it.

But I'm not going to be allowed to put it in. Skillfully moving her hips, my glans are allowed to push open her crack and rub her insides.

And since I cannot move my body, I am also unable to push my waist.

[Yamato] "Kuaa....."

[???] "Kukuku..... Ahahahahahahaha! That sadnes in your look..... It's pretty lovely. Haaa..... Aaan..... Good, good, I can feel it."

Demon seems to be enjoying my face, writhing in pleasure. It is frustrating, but it looks like I'm at her mercy here.

Along with it comes a slight irritation, and just like that I manage to move my hips a little.

[Yamato] "Nnnn! Ugugugugugu..... Move, move!!"

My body feels awfully heavy, probably thanks to the demon.

Being able to paralyze her pray may be her kind's ability.

Sleep paralysis is something that can be easily released if you concentrate your will on something, or so I have heard.

The only thing I focus at is to be able to move my hips again.

Normally a 'fingertip' would be a better target for concentration, but right now in my case it is waist.

Pushing up my waist, I feel kind of sorry for having to pierce that demon.

[Yamato] "Ununununununu..... Move..... Move..... Move my hips, god damn it~"

[???] "Ohh? Why do you struggle so much?"

Only a moment. Just for a brief moment my hips become ethereal, enabling me a slight movement.

Response down there!

And like that, with all of my strength I managed to push up my waist.

[???] "Kuhaaaaaaaaaaaaaaaa~nnnn!"

With a slightly sucking noise, my large penis comfortably buries itself in the demon's hole.

At that moment the melting heat wraps around my turtle head.

[Yamato] "Oooohhh!"

Wrapped in delicately folded flesh folds, a wave of pleasure surged through me.

[???] "Kuhaaa..... Haa, haa, aguu..... M, my paralyze was lifted.

[???] "Not bad, not bad at all..... Haa, haa, hafuu. Do you..... Do you want to do it with me that badly?"

[???] "Aaan..... So obscenely..... thick. S, so much..... You really want me so much? Tell me~."

Finally stopping playing cat and mouse, anyone wouldn't be able to hold himself back. But now I'm done with a tough-guy act.

[Yamato] "To say that I wasn't interested in putting it in such a fine woman right in front of my eyes, it would be a disgrace for all men....."

[Yamato] "My partner being a demon..... Oh well, guess there's no helping it."

From this demonic body, overflows a peculiar pleasant woman aroma.

This aroma penetrates deeply through my nose to the back of my brain.

This body seemed like it would swallow me up. I want to be swallowed up by her. Such desire came up in my mind.

[???] "You're good with your mouth. Kuu, uu, nnn, ah..... Aauun, haah!"

[Yamato] "Uuh..... G, good..... Previously only the tip managed to went in, fluffy and sticky."

Her walls continue to rub each other, making lewd noises.

A sensual smell rises from her crack, my glans push open her walls making me go mad from the aroma.

[???] "Nkuu! Ahaa, nnn, nnn, nnn, nkuu..... Aaa, aaaa! Let's go, Yamato..... I can't take it anymore."

[???] "Haa, haa, haa, haa..... Aaaaannn. Your penis, penetrating my hole..... Aguu."

The demon tries to withstand it, while I attack her vigorously with my waist.

Jiyupun.....

With a wet sound, demon's love nectar overflows from her crack.

[???] "Kuuhaaaaaaaaa~. Aaaaah..... It's coming in..... Yamato's penis..... Thick penis, inside me..... Aaaaaahhh."

Demon swallows my meat rod all the way down to the base, staring to the sky, letting out of her vivid lips something similar to a hot roar.

[???] "Aguu..... Haa, haa, haa..... Haannnn! AAh..... Incredible..... This feels like my body's been tearing apart..... Haan."

In the demon's vagina, rugged meat folds are clamping themselves over me.

Flesh folds moistened in love juices being already too much, it feels like each and one of them has a mind on it's own, wrapping around my dick.

I feel a strong pressure on my turtle head. Just like licking and squirming on my glans, in addition to the pleasure.

[Yamato] "Th, this is..... A demon's pussy. It's incredibly good....."

[???] "Haa, haa, haa..... Well? Today is special, so it's going to be the best feast of pleasure in the entire world."

When demon took a deep breath, she suddenly shook her waist violently back and forth.

[Yamato] "Uooh!! First starting slowly, only to go rough now? Is that how you planned it?"

When the demon shakes her hips, my prick moves in conjunction within her crack.

Pulling. My turtle head opens her nether lips, rubbing her wet with love juice insides vigorously.

And when I push, I advance through her vagina all the way down to her cervix.

Pulling and pushing. The demon's insides give me a completely different kind of pleasure.

Those actions are repeated at high speed, making my waist convulse and tremble in pleasure.

[Yamato] "Aah, uguu..... Aaahhh!"

Such severe torture, I can only gather my strength and tough it out.

[???] "Naa, aaa, haan! fuu, fuaan..... aaa, aaa, aaann..... How do you like that? Does it feel good?"

[Yamato] "Oh, aah.....!"

She says while looking down at me, at the same time love honey drips endlessly from her nether lips.

[???] "Nnn, haaaaa! Nnn, nnn, nnn, nnn..... My naughty hole is splitting in two. Head is, thick head is..... My insides are being stirred up!"

Demon writhes violently, leaking hot breaths.

[Yamato] "No, no good....."

[???] "Nkuu..... Haa, haa, haa, what is 'no good'? Do you want to finish? Do you want to release your seed inside me?"

This demon seems to be having a really good time. This statement is infuriating.

[Yamato] "Not, not yet..... Haahaa, haahaa."

[???] "Aaa, aaa..... Nnnnnnnnn, kuha! G, good, Yamato..... Haa, haa, haa..... There is no need for a boy to hold himself back."

[Yamato] "Ukuu..... Haa, haa, haa..... Haa!"

[???] "Kuaa, aaa, nnn, nnn, nnn..... Aaaan. Perfect fit..... This thick penis, it completely fills the inside my pussy~"

On top of me, the demon rampages like mad while gasping sweetly.

Loud and obscene noises can be heard, her nether lips tremble thanks to my meat rod, distorting their shape.

During these short intervals, love liquid overflows from her vagina, moistening my crotch.

[???] "Aaaaah, aaannn! Haaa, naah, kuu..... This feeling of your cock's rampaging agony..... Higuu."

[Yamato] "Haahaahaa..... Nu."

Because I was satisfied not too long ago, right now my meat stick is turning very sensitive from the previous insertion.

If I lose my focus here, I might climax again anytime soon.

[???] "Haaaaaaaaaan.....Nkuu, what's wrong? Why are you looking like you're about to cry? Does it feel so good that it makes you want to cry?"

[Yamato] "Wh, I didn't make..... Ah..... such face..... Afuu."

I wanted to deny it furiously, but my voice became feeble, lowered by the surging pleasure.

If possible, I also wanted to massage those ample breasts, but I can't move my hands freely.

So, we moved from just thrusting my hips to something else instead.

[???] "Hiyaaan..... Aaaah, aaah, aan. Aaah, it's stabbing me..... Yamato is stabbing me~. Aguu, aguu, aguu..... It feels so good~."

[???] "More..... I want you to stab me more! Aaaaah, aah, aah, aah, aah..... I want this thick prick to mess me up~."

[Yamato] "As you wish! I can do this all day!"

Once strong urge to ejaculate, now it gradually subsides. It will take some time for it to rise up again.

[???] "Kuaa, aah, naah, nnnnn, aaaah! This is..... It's been so long since the last time I felt like this."

[???] "I feel so empty when that penis is withdrawing..... Aahn. And this sense of fulfillment when it's coming back inside..... This is the essence of intercourse."

[Yamato] "Hahaha, huu..... Uguu. Demon Sis, why are you saying such difficult things?"

[???] "Kuhaan, aaa..... This feeling of coming and going strikes alternately. I love it~. Aaah, aah, aah, aaaaaa~hnn!"

The moves of my hips are gouging the demon's vagina, its flord lips gasping and popping as if they could not bear it.

[Yamato] "Haa, haa, haa..... Do you even understand the feelings of men?"

I want to let it out even when putting it in feels this good.

[???] "Aguu, kuu, nkuu, nkuu, nkuu! M, My hips feel it..... My naughty hole feels good~. I can't stop..... Feeling good just won't stop!"

White limbs of demon starts to throb. Sound of flesh bumping into flesh can be heard, drops of sweat forming and running down her white skin.

[Yamato] "Kuu..... Haa, haa, haa, haa..... The tip is..... The tip of the penis is pressing hard!"

Her meat folds were squirming and convulsing, stimulating my glans. It's the feeling as if her nether lips were sucking in my turtle's head.

The demon's waist began to wiggle more and more.

[???] "Nnn, nnnnnnnnn..... Aafu! Aaa, hagu, haa, hnn..... Fuaaaaaaaaa~nnn!"

Her skin covered with balls of sweat became a light pink.

Lips flooded with constant sighs and gasping, unable to get by with her heavy breathing.

Occasionally, she let out her red tongue of her mouth and licked the air lustfully. This gesture made my lust skyrocket.

[Yamato] "Aah..... This is too good..... Haahaa, haa, haahaa, haa....."

Her vaginal folds were holding onto me so hard that it hurt, making it feel so good that my mind was starting to go blank.

Like if together with my sperm, she was trying to suck out my consciousness as well.

[???] "Ahaha..... Nkuu, nkuu..... Aaaahn! It feels good? Aaahn..... Does it? Because my naughty hole is special..... Aah..... Haan."

[Yamato] "M, Mine as well..... I, is special.....!"

I tried to rival her confidence with my own mouth, but my voice was trembling and stuttering, drowning in pleasure.

[???] "Well then. Show me that special place of yours! I want you to thrust it in even more violently than a wild beast. I want you to stir my hole so much!"

[???] "Nn, hya, aah, aaaaa~hnnn! More~, more, more~, penetrate me more. All the way..... I want it all the way~"

The demon presses her crack forcefully to my yanking crotch. Her movements are little by little more desperate than before.

[???] "Haaaaaaaaaaaa..... I, it's reaching all the way in! To my womb..... It reached all the way to my womb, Yamato!!"

I remember that crunchy feeling on the tip of my glans. It seems that I had hit the entrance to her womb.

In a moment, demon's meat folds tremor and buzz, tightening even more around my prick.

[Yamato] "Kuhaa..... Right here, it feels good! Haa, haa, haa, I'll poke you full....."

[???] "Kuaaah! Naah, nnn, nnn, nnn, nnn, aah..... Incredible. It's hitting the back..... It's hitting the back so much!!"

[Yamato] "Haa, haa, haa, aaah.....! It's tightening so incredibly..... It's swallowing me up."

The more I try to stab her all the way in, the more I notice that my consciousness is getting hazy.

In front of my eyes I can see all but a white void.

Crap, I will soon reach my limit.

[???] "Naaaah, aah, aah, aah, I, incredible! It looks like I've been underestimating you, Yamato..."

[Yamato] "Kuu! Demon Sis..... You still haven't cum?"

[???] "Naah..... Aguu, nnnnnn, you too, Yamato..... The truth is, you're also at your limit?"

True, I was approaching my limit, but I wanted to avoid having admitting defeat to that demon. At the very least I wanted to end it with a draw.

[???] "Haaa, nnnnnn, nnnnnn, nkuuu~. Aah, aah..... My womb feels hot. I want it..... I want it in my womb..... Kufuu!"

[???] "Aaah..... I want seed..... I want a lots of hot seed poured into my womb. Your murky love seed, I want it to satisfy me..... Aahn."

The demon's hips start to move, becoming something closer to 'vibration' rather than ordinary movement.

Her crack is pressing strongly against my meat rod, insertion makes her fine waist shudder and shake.

Being in that state, I push from below her and wiggle at the entrance to her womb. Even being a demon, she's bound to approach her limit in no time.

[Yamato] "Kuoooh.....!"

[???] "Aaaaaaaaahhhhh, nkuu..... Kuhaa!! I'm cumming..... I'm cumming!"

[???] "Nhaaaa, aaah..... Nnnn, aaahhhh! You come too, Yamato..... Inside me..... I want you to shoot lots and lots of hot semen inside me!"

The demon's vagina makes wet and loud noises. At the same time, hot substance began to pulse at the base of my meat rod.

[???] "Hot, overflowing semen, pouring into my womb..... I want you to pour it! Kuha..... Can't..... I can't~. I'm cumming..... At this rate, I'm going to cum....."

[Yamato] "Haa, haa, haha..... Okay! Cum..... Just cum to your heart's content!"

If you won't hurry it up and cum, I will do so.

Liquid boiling at the root of my meat pole is starting to run inside like crazy. 'It's no use' when I thought to myself, demon's body started trembling.

Suddenly the body of the demon arches back, shivering and trembling.

[???] "Noo..... I'm cumming, I'm cummiing! Kuhaaaaaaaaaaaaa~nnnnnnnnn!!!"

The demon's vagina shuts itself around me, squeezing my meat rod.

[Yamato] "Kuaa.....!!"

To this tightness, the last of my breaks let loose. Being squeezed hard, my hips jump.

Splurt, splurt, splurt.....

My dick pulsates strongly in the demon's vagina, pouring semen right into her womb.

[???] "Afuu! Aaaaaaaah..... Haa..... Hot..... Hot stuff is coming out..... Yamato is ejaculating so much..... Aaaaaaaa....."

[???] "Inside me..... Seed is..... overflowing! Overflows..... Aaahh..... Seed overflows from my womb~"

Demon's body convulses heavily over and over. From her wide open mouth saliva is dripping, her expression shows a sight of ecstasy while squirming and convulsing.

[Yamato] "Haa, haa, haa, haa..... I came..... I came right inside of the demon."

Hot breath of the two of us spreads around.

[???] "Haa, haa, haa..... Haa..... Aaaah. You accumulated so much, Yamato..... Haa, haa, haa. So much..... You let out so much."

[???] "To pile up this much..... Haa, haa..... Are you having proper intercourse with your lover?"

[Yamato] "Gu..... It's none of your business!"

I don't even bother myself with denying at all. Having let out all that I had stored in me, my body was overcome with a feeling of weakness.

[???] "Haa, haa..... There is plenty of your hot love. Was my insides this good to you?"

While taking an overflowing semen on top of her finger, demon looks at me with fascination.

[Yamato] "Did it felt good..... Demon Sis?"

[???] "Haa, haa..... But of course. That's Yamato for you, let me tell..... I really enjoyed it."

[Yamato] "Hey..... Why do you keep appearing in my dreams? Before, you said something about 'one more me' , do you know me from somewhere?"

[???] "Ahahahahahahahahaha! I know you..... And many other things..... But....."

[Yamato] "You..... Just who are you?"

[???] "Fufun. It will be morning soon..... Time for you to wake up."

[Yamato] "Ah..... Hey, that's cheating!"

Demon laughs and smiles.

It was in this moment. My consciousness receded, as if being sucked into the darkness.

SCENE 5

The next morning.

Still rubbing my sleepy eyes because of the demon I go to the living room, where Mikoto and Takeru had already gathered.

[Yamato] "Good~mor~ning~."

[Mikoto] "Good morning, Yamato."

[Takeru] "Good morning..... Did you sleep well?"

I cannot bring myself to honestly answer that question.

[Yamato] "Uu~n..... I guess. I slept like I didn't slept at all."

Although I couldn't tell if it was a dream or reality, I was attacked by a demon and I had plenty of sex with it..... I just cannot say something like that.

Mikoto tilted her neck while looking at me, just like that showing her curiosity.

I intentionally avoid looking in her eyes. I don't know the reason myself, but I couldn't bear to look Mikoto in the face.

[Yamato] "Oh, that right..... When do we start our final training?"

To brush away that strange aura of embarrassment towards Mikoto, I shift the topic to our final training 'Rengendou' which was our original purpose of coming here.

[Takeru] "Regarding that..... In order to carry out out final trening, it seems that Mom decided to hire us a special coach."

[Mikoto] "Coach?"

[Yamato] "What the hell?"

It seems that Takeru was also spared from details, because to our inquire she only shook her head.

[Mama Hatsune] "My, my..... Yamato-kun woke up. So, let's prepare some breakfast."

After quickly disposing of breakfast, the conversation naturally moved towards our final training 'Rengendou'.

Hatsune-san as always showed us a smile full of compassion, while answering our questions.

[Mama Hatsune] " 'Rengendou' is divided into practical and theoretical part."

[Mama Hatsune] "And today, I invited the theoretical coach here."

[Mikoto] "Th, th, th, theoretical~~~!!"

[Yamato] "Th..... Theoretical!?"

Me and Mikoto, hearing that we show almost simultaneous reaction.

[Takeru] "What kind of theory?"

[Mama Hatsune] "Well, I say theory but in reality there is no test or anything, it's something more of a recap of basic knowledge~."

[Mikoto] "I hate studying~."

[Yamato] "Same here."

[Mama Hatsune] "Ufufufu. With attitude like that, you're not going to get very far as an Exorcists, you know~."

[Mama Hatsune] "In the future, if Miko-chan continues being an Exorcist based just on intuition and experience, a time will come when you will meet an opponent out of your league."

[Mama Hatsune] "When that time comes, the knowledge you gain here will be the shield that will protect you."

[Mama Hatsune] "Especially Miko-chan, in the old times we managed to survive only on canned food and seaweed, so be sure that you will study really hard~"

[Mikoto] "Auu~. Everything but canned food and seaweed....."

That's a mother for you. She knows Mikoto through and through.

Honestly, although I feel ashamed for even thinking that way, I always thought of Mikoto as a 'genius'.

Even when we were in a tight spot, we always managed to overcome many dangers, even thanks to luck.

And this is because of this thing known as 'natural talent'.

[Mama Hatsune] "Take-chan..... I want you to help these two study properly."

[Takeru] "Yes..... Of course."

Takeru nodded in agreement.

Being an exact opposite of Mikoto, Takeru is someone who really 'puts an effort' into something.

Researching and preparing for a lot of time, obtaining confidence one step at a time, that was Takeru's 'greatest power'.

By the way, I seemed to possess neither such 'natural gift' nor 'effort'.

[Mama Hatsune] "My, my..... It looks like Sensei is here already."

Hatsune-san and Mikoto go to open the front door.

You can hear distant voices exchanging greetings at the front door, followed by the sound of footsteps coming to this room.

[Yayoi] "It's been a long time, Yamato..... I hope that you're well?"

[Yamato] "Buuah! M, M, Master is going to be our Coach!?"

To my voice, woman made a look as if she was about to start laughing under her nose.

The name of this woman is Yagami Yayoi.

Unlike us, she doesn't belong to any organization in particular, and is an Exorcist wandering from town to town, helping where help is needed.

While traveling around Japan, she solves many dark incidents that has been happening secretly, based on her instinct and justice.

Not being bound to any organization or customs, she is a master of many various arts in existence, thus earning the title of 'Flowing Exorcist' for herself.

Also, she was the one who introduced me to the art of 'Exorcisms'.

When I was a child I lost both of my parents and was apparently brought up by this Master.

'Apparently' , because I don't have any clear memories of that time.

Now when I think about it, at that I was already travelling together with Master, getting rid of demons all around the country.

Getting rid of demons..... I think it was more of a situation where the demons were after my Master.

It was during this journey that I stumbled upon Yoru's place..... 'Black Cat Branch Exorcism Agency' and where I met Mikoto and Takeru.

Of course I don't remember it, but I must have been to Ayagami village before with Master, where she and Hatsune first met.

But I even had no memory of that as well.

[Yamato] "Anyway..... To think that Master would become our Coach."

[Yayoi] "Fufun..... Was that a compliment?"

[Yamato] "Do, don't be ridiculous!!!"

I think that my attitude could be understood immediately..... This Master was monstrously strong. And scary.

Even if my memory may not be clear, the only feeling that is engraved in my body right now..... Is fear.

[Mama Hatsune] "I do believe that you and my daughters are yet to be acquainted, right? My eldest daughter Mikoto and younger daughter Takeru..... I leave them in your care."

[Mikoto] "Please take care of me!"

[Takeru] "I am Takeru..... Please take care of me.]

When two people bow reverently, Master places a huge wrapping cloth on the floor with a *thump*.

I have the feeling that from that impact tatami floor recessed a few centimeters.

[Yayoi] "..... Take care of me. Okay, so without further ado, let's get to studying."

[Mama Hatsune] "In that case, I will bring you some tea later~. Yamato-kun, Miko-chan, Take-chan..... Do your best."

Doing as she said, Hatsune-san went out of the room.

[Yayoi] "I said study, but just read this. The deadline is two days from now. In three days, there will be practical exam."

[Yayoi] "No time to waste. Now..... Begin!"

Master unleashes the wrap holding the cloth that she brought. The contents were all regarding demons and Exorcists operations.

[Yamato] "All..... of this.....?"

When I think that I have to read through all of this, a sudden dizziness strikes me and I feel like I'm about to faint.

Looking at my side, Mikoto has fallen already.

... ..

... ..

...

The sound of turning pages continued for hours.

That way, the only break time we had was a time for a simple lunch and water, with no longer breaks at all.

Gazing over page after page in confusion, I highly doubt whether I really store any information in my head.

Right now, I feel that I'm turning those pages simply by reflex.

[Yamato] "At least some things have pictures, that's a real salvation."

[Mikoto] "Agree~. I wish there would be more and more pictures to ease the read."

Through the ancient manuscripts which described the ecology of the demons, you could sometimes stumble onto illustrations similar to the caricatures of a wildlife.

If there was no illustrations at all, the brains of me and Mikoto would suffer from an overload or overheat long ago.

Although illustrations were added only occasionally, while reading ancient manuscripts me and Mikoto would come at some things that we didn't know.

Either way, we continued to turn pages with no enthusiasm at all.

On the contrary to me and Mikoto, Takeru's been immersed in its contents, reading with shining and sparkling eyes.

[Mikoto] "Takeru is so good with that kind of things..... Oh!?"

[Mikoto] "Ah, I have seen this before. Look, look, Yamato..... This guy, this guy!!"

Bored and flipping through the pages, Mikoto's eyes suddenly widen, as she points the illustration towards me.

Right there, a familiar demon with tentacles is depicted.

In the past incidents, that demon was defeated by us many times.

[Mikoto] "Hee~. 'Soul devouring plant under grass'. What a strange name..... Ahahahahahahaha!"

[Mikoto] "Tama Ranchi..... Aha! Wasn't that the name of some president somewhere?"

[Yamato] "Or maybe Olympic games? But I think that his name was slightly different....."

The correct answer is: Samaranch.

[Mikoto] "I have a name for that demon! Let's see, let's see..... No individual consciousness, while having low intelligence and willpower."

[Mikoto] "..... What's that suppose to mean?"

[Yayoi] "When in solid state, it will not act on pure predatory instinct. In other words, from biological point of view, it's the thing that sucks out spiritual energy."

[Yayoi] "But a community..... It takes intelligence to form a herd. Each one of them acts like a decoy, scout, warrior..... Formation is needed to launch an efficient attack."

[Yayoi] "They form intelligence when they gather in a pack of seven. In that case the most solid of them all is the center of their intelligence -- 'Core'."

[Mikoto] "Ahh..... Like that, huh?"

Mikoto nods her head.

Aside from Mikoto only Takeru seemed to have experience in encounters with intelligent clusters.

[Yayoi] "Not only Soul devouring orchid, but all of the demons have a name and characteristic. Be sure to cram each and every last one into your heads."

[Yayoi] "By doing so, you can know all that there is to know about natural demons. You must know the origins of demons."

[Yayoi] "If you know the origin, you also know how to fight it. Do you understand what I'm saying?"

In reaction to Yayoi's words, Mikoto tilts her neck while rocking her ponytail.

[Mikoto] "Demon's..... Reason for living? Does demons even have something like that?"

[Yayoi] "Of course they have. The history of demons is also history of humans."

[Yayoi] "After all, demons were created by humans."

[Mikoto] "Eh? Demons were created by..... Humans?"

[Yayoi] "That's right. I can tell you the whole story, that is if you manage to memorize all of the demons names."

[Yayoi] "Now, devote yourself to cram the entire content of these ancient manuscripts into your heads. Okay..... Hey, Yamato!"

[Yayoi] "Don't you even dare to fall asleep on ancient manuscriptssssssssss! "

Master shakes her big hand, landing it on top of my head with a short whistle, causing me a severe, sharp pain.

Master took her hair in her hand and turning it into a whip she hit me hard.

Blood started to draw a red line on my forehead, running down my face.

[Yayoi] "I'll stab you if you fall asleep again..... Just study properly, Yamato."

[Yamato] ".....Y..... Yes."

Blood gushing from my forehead, I headed towards ancient manuscripts.

... ..

... ..

...

[Yamato] "M, Master..... It's time for a break..... At this rate ma and Mikoto are going to drop out even before practical exam."

I knew it, this work was pure torture.

The likes of Mikoto, masters of spiritual projections, right now you could see her soul escaping from her body through her mouth.

Our bodies and souls were at our limits.

To my appeal, Master sighed heavily and took a glance at the two of us.

[Yayoi] "Yeah..... I guess there's no helping it."

[Yamato] "Eh! We can really take a break?"

[Yayoi] ".....No. Somewhere in those ancient manuscripts is described a surgery to take away eye fatigue. Look it up."

[Yayoi] "By doing so, you can read more easily, right?"

[Mikoto] "... .."

For Master, there was no need to break to begin with. I also highly doubt that there is a surgery that takes away eye fatigue.

Even if there wasn't such thing, me and Mikoto began to look for it.

[Yamato] "D, demon....."

[Yayoi] "Stop complaining and keep reading..... And put your head into it. Mikoto as well! You're falling behind!"

Master pokes Mikoto lightly to the forehead with her finger.

Her soul, who was about to escape through her mouth, returned to its rightful place in her body.

[Mikoto] "A, Auuu..... Huh? W, what was I all this time....."

Forced to exit the land of dreams, Mikoto now looks at her surroundings while still half-asleep.

[Yamato] "Get to studying, Mikoto. And while you're at it..... I'd better wipe that snot from your nose....."

[Mikoto] "U, un....."

... ..

... ..

...

[Mama Hatsune] "My, my..... Everyone, I see that you are working hard~. What would you say to some tea break?"

Mikoto and I were both on the verge of meeting with Buddha. Just then, Hatsune-san brought us tea.

[Mikoto] "..... Ma..... Mama....."

[Yamato] "Ha, Hatsune-san....."

Showing us a smile full of compassion, it was easy for us to see Hatsune-san as a true goddess.

In the bowels of this endless hell, her smile was just like a hand reaching out to us.

At least that's how it all looked like inside my heart.

I am sure that Mikoto feels the same way. There's even tears in her eyes.

[Mama Hatsune] "How's your studying going?"

While chugging down the juice, Mikoto and I nod vigorously to confirm that we are studying hard.

Maybe it was Hatsune-san's smile, or maybe it was sugar in the juice, my brain's fatigue is gradually restored, and I feel like my vision's becoming better.

[Mama Hatsune] "Take-chan, don't overdo it. If you start doing that, you're going to regret it."

[Mama Hatsune] "Here..... Drink some juice. It will help you stay properly hydrated."

[Takeru] "Yes, Mother."

Takeru seems to be in a good mood and smiles beautifully, gracefully drinking down her juice.

[Mama Hatsune] "Oh, that's right..... Yuu-chan came by to say hello."

As if waiting for being introduced, a little girl shows up from behind Hatsune-san's back.

[Yuu] "G, good evening..... Long time no see."

[Mikoto] "Ah..... Yuu-chan, nice to see you! My, how you have grown!"

Fluffy, innocent clothes wrapped around slender limbs of a young girl, while showing a little bit of hesitation in the face of the unfamiliar, lowered her head to Mikoto, Takeru, and Master.

[Yamato] "Waah~, what a cute girl!"

I feel ashamed about my words and my face burns red, while the little girl's cheeks blush, a sight of puzzlement could be seen in her big eyes.

Every time her thin limb sway from side to side, her light, silky soft hair shake a little.

[Yamato] "Geboha!!"

[Mikoto] "You perverted Yamato!!"

As if to protect the embarrassed girl, Mikoto's elbow find it's way straight to my side.

[Yamato] "Nuu..... Nuuoouoooh..... That sort of thing is dangerous, that sort of thing....."

Ignoring my quiet agony, Master directs her sharp gaze towards the girl.

[Yayoi] "Certainly..... You are the daughter of Shuhoin....."

[Yuu] "Y, Yes. It's been a long time, Yagami-sama."

[Yuu] "Since the death of my father, it's been very tough. Although my brother has become the head of the family now, please, continue to look after me."

[Yayoi] "The death of your father is truly a sad thing. I will stop by later to pay my respects....."

[Yuu] "Of course. Thank you very much..... My brother will be overjoyed."

Master, being such 'Wondering Exorcist' plays a vital role in carrying information from one town to the next.

Going back and forth through various Exorcists villages scattered all over Japan, her role is to exchange both information and technology.

But now such information can be easily altered due to media and such, so transfer of important items and information is carried out by the hands of competent Exorcists, 'Wondering Exorcists', which is a great deal of responsibility.

In order to prevent trouble from different ideologies throughout villages, they decided to hire a third-party 'Wondering Exorcists'.

They even served as technical guidance from time to time.

Thanks to the closed environment of the villages, they also had to perform Exorcist operations in the outside world in order to not let their technology fall into stagnation.

This time, Master's job was also to be our Coach.

[Yuu] "U, u, umm..... Who is he?"

While the large eyes of the girl fill with anxiety again, she turns her gaze back to me, holding my side with agony.

[Mikoto] "Aah..... See, this here is the demon we captured recently. He is Perverted Wet Dreamer..... I hope you'll get along!"

[Yamato] "Ah! You little, what kind of messed up introduction was that!"

I momentarily jerk up and come right past Mikoto, stepping forward.

[Yamato] "Hello, young lady. I am Tachibana Yamato. Future Super Promising Genius Exorcist..... Wannabe."

[Yuu] "Y, Y, Yamato..... -san? The one who has been accepted to participate in 'Rengendou' together with Mikoto-san and Takeru-san?"

[Yuu] "Since this time we have 3 participants, I was wondering if you could be....."

[Yuu] "U, um..... I am Shihouin Yuu. Please take good care of me."

The girl lower her small head and bows.

[Yamato] "Yuu-chan, huh..... Let's get along."

[Yuu] "Y, Y, Yuu..... -chan....."

In an instant Yuu-chan's face becomes flushed red. I wonder if adding '-chan' to her name was so embarrassing for her?

[Mikoto] "Hey, Yamato..... What's the deal with suddenly being over-familiar!"

[Yuu] "Aah, no..... This is..... Please, don't trouble yourself. I was, I was just..... I was just surprised..... Auauauau."

[Yamato] "Uwaa..... So cute! Shy AND naïve! Totally different from a certain Big-Tits Wraith that I know..... Geha!"

I was speaking in a low volume of voice, so Yuu-chan couldn't hear me, but it looks like that Mikoto was able to hear me alright.

When my side received the elbow for the second time, Yuu-chan laughed silently, masking it as a cough.

[Mama Hatsune] "Aah~ that's it~. Mama just thought of something nice."

While showing us a radiant smile, Hatsune-san clasped her hands and her breasts bounced.

[Mama Hatsune] "How about you call it a day with your studying for now?"

[Mama Hatsune] "My daughters are back home, and Yayoi-san as well as Yuu-chan are here. It's been so long since we last been there, so..... Let's go!"

'Let's go!?' so suddenly? Even if you say that, I don't even know what are you talking about.

[Yamato] "Hey, Mikoto..... Where are you going?"

[Mikoto] "Aah~. For you, it shouldn't even matter, Yamato."

Mikoto laughs with mischief, quickly putting together scattered documents, and then leaving her seat.

Now that I think about it..... Hatsune-san didn't mention my name during that proposal.

SCENE 6

I am confused in regards to where I was taken.

Right there is.....

The village's very own open air bath.

The Ayagami village had their own small hot springs, available for free at any time.

[Yamato] "Umu! Certainly, it has nothing to do with me!"

Unfortunately, there is no mixed bathing here. It's only natural that they serve men and women separately.

The big bath is only separated on men and women's side by a huge, thin wooden board, through which you can clearly hear noises from the other side, echoing in harmony on water.

First of all, while I was reading about the healing effects of this hot spring that was written on a wall, I nodded from time to time but it was so boring that I got tired of that only after 5 seconds.

[Yamato] "... .."

[Yamato] "... .."

[Yamato] "... .."

[Yamato] "Uooooooooooooohhhh! Why am I so sad about lonely soaking myself in the hot spring!
I feel that I have been violently ostracized.

Occasionally, even I get slightly irritated when I hear joyful laughter coming from the women's side of the bath.

I quickly wash my head and body, pretending to be calm, and then sink right into the bath.

[Yamato] "Fufun..... In that case I have to use the upper exit from the bath!"

[Yamato] "In a bath, there is no more satisfying thing then watching the girl's skin stained with pale cherry color and whispering 'Uho, so sexy'."

I started going through water, slowly approaching the thin board separating men and women's baths.

[Yamato] "Fufufufufu! It was worth it, going through all this torture of studying."

[Yamato] "Among those ancient documents, I found it! Innovative and ambitious, even arcane....."

[Yamato] "Senses separation! A secret technique used in instant retreats!."

[Yamato] "When I found that technique from deep within mountains in that documents, I thought to myself 'This is it'."

[Yamato] "Who would have thought that the time to use this would come so quickly..... Fufufufu. Fuhahahahahahahahahahahahaha!!"

[Yamato] "I'll do it..... I'm gonna do it! Right now, I'm going to show you my power! My true power! !"

I straighten my index finger, and trace it in the air, as if writing a symbol.

[Yamato] "Having some steam in this hot spring, those are the best conditions. Conditions to draw the most of my ability, that is!"

I totally don't get that 'atmosphere' and 'spiritual body', but I can stabilize it to produce more moisture.

Just like you could see ghosts at the watersides or on a rainy day.

Hot springs are rich in hot water. Furthermore, steam drifting in the air makes for a perfect humidity.

[Yamato] "Perhaps 20 centimeters should be enough."

Going out of my body for about 20 centimeters was my limit.

But it should be enough. This thin board can't possibly be 20 centimeters thick.

I should be able to send my face to the woman's bath. With that face I'll be able to peep.

[Yamato] "Let's do this! Discharging my soul by the five elements, I release it onto the world! Secret art..... Sense Separation!!!"

At that moment I feel strong pulsation in my whole body. My whole body feel like it's made out of water, slipping 20 centimeters out of my body.

The back of a hot spring. Bodies of five happily chatting women can be seen.

[Mikoto] "Yuu-chan, the way you're not trying to look is so cute. I can't blame Yamato for acting like he did....."

[Mama Hatsune] "Recently, you really matured. I guess that village boys can't take their eyes off of you, no?"

[Yuu] "Hawawawawa..... T, t, there is no such a thing. M, me doing something like that..... It, it's still to early....."

[Yuu] "Ah..... Still to early.....Hauu"

Yuu-chan looks at Hatsune-san, Master, Mikoto and Takeru's chests while letting out a huge sigh. Even if you say that she 'matured so much', it seems it was not well received.

Aside from Takeru, when you look at Mikoto and Hatsune-san, most women would start to curse the growth conditions of their breasts.

[Yamato] (Don't be disappointed..... You're good the way you are, Yuu-chan.)

Yuu-chan fidgets shyly, trying to hide her modest breasts with her hands as if she was sorry.

[Yamato] (Kuu~. Yuu-chan, you're so cute~)

Smooth and fair skin is flushed warm pink in hot water.

[Yamato] (But still..... Hatsune-san is quite a surprise. I know that she's Mikoto and Takeru's mother, but what are those breasts of hers?)

Being Mikoto's mother, their size was to be expected to some extent, but they are beaming with youthfulness.

They can truly be put on the same level as those of that 'monstrous tits' Mikoto, I think that they are not even that different from a growing child.

I want to grab and squeeze them.

I can easily imagine how my fingers are sinking into that soft and fair skin.

Even burying my face in them would be good.

I'm sure they must feel like the finest quality silk, or be like bags filled to the brim with whipped cream.

[Yamato] (Auuu~. I want to bury my face in Hatsune-san's tits.)

[Yamato] (I want to press them and squeeze them so bad~. And then, I wonder how good would that feel.....)

I wonder how far can wings of my imagination spread?

[Yamato] (I wonder if I can move a little bit closer~)

It's a shame that the borderline for me is just 20 centimeters.

[Yamato] (But still..... It's a real pain to admit it, but Mikoto has the greatest proportions)

Mikoto has a body that would put models to shame.

Her breasts have good shape and sufficient tension, and their tips are pointing a little bit to the heavens, enjoying their youthfulness to the full.

Her waist is slim and narrow, hips spread gently and with their freshness remind me of top quality peaches.

Recently, I think that her body has become more shiny than usual.

[Yamato] (Why you little..... Monstrous Tits! Recently, your tits become bigger again, huh?)

[Yamato] (What a waist of fine nutrition..... Outrageous!)

For a reason unknown even to myself, I cried in my mind.

[Mikoto] "Speaking of which..... Yuu-chan, do you have a boyfriend?"

[Yuu] "Haauuu? T, t, t, that..... Me getting a boyfriend is ridiculous, I don't have one~. "

[Mikoto] "Eeh~, really?"

Mikoto shows a nasty and mischievous smile, cross-examining Yuu-chan.

[Yuu] "R, really~. Something like lover..... Such thing..... Who would even want with me....."

[Mama Hatsune] "My, my~. Yu-chan is just so adorable, I think it would be easy for you to get yourself a boyfriend or two~."

[Yuu] "A, auuuuuu....."

[Takeru] "M, Mother..... A lover or two, I think that's a little bit too much."

[Mama Hatsune] "Ufufu. But that's exactly what makes it so sweet..... Right, Yuu-chan?"

[Yuu] "..... Au..... Auuuuuu....."

Yuu-chan didn't know whether she should answer that question or not, so she just slipped her gaze around the bath.

Hatsune-san must have also notice how Yuu-chan was blushing.

Although you couldn't see that on her face, she must have enjoyed watching confused Yuu-chan as much as Mikoto did.

Like mother like daughter.

[Yuu] "A, a lover..... I don't have anyone like that~"

[Mama Hatsune] "Fumufumu. After all, this is the only daughter of the Shihouin family, the one that has the most influence in the entire village. I wonder if the boys find this wall a little bit too high?"

[Mikoto] "To aim or not to aim?"

[Yuu] "Hauuuuu~. Aiming for me..... This is..... Auuu....."

[Yuu] "T, that's right..... Mikoto-san, Takeru-san, what about you? D, do you have boyfriends?"

Counterattacking, Yuu-chan tossed the question back.

[Mama Hatsune] "Now that you mention it, I never heard anything like this. You two..... What's with that? Now Mom is curious, too~."

[Takeru] "Right now I have my hands full with my Exorcist job..... Romance is....."

Takeru delivers the exemplary answer.

[Mama Hatsune] "Then..... What about Miko-chan?"

[Mikoto] "M, me? I don't have a boyfriend."

[Mikoto] "I'm the same as Takeru! I have my hands full with work..... Right?"

[Mama Hatsune] "..... And Yamato-kun?"

[Mikoto] "Eh, Yamato!? A, a..... That, there is just no way that this perverted wet-dreamer can have a lover!"

[Yamato] (Suddenly turning all negative!?)

[Mikoto] "He's perverted, he's stupid, he's weak and has a phimosis..... Impossible! Absolutely impossible!"

[Yamato] (Y, y, y, you little..... Monstrous tits! Saying whatever you like!)

[Mikoto] "Geez~, stop saying weird things, Mama!"

[Mama Hatsune] "My, oh my..... Is that so? Mama personally think that Yamato-kun is pretty good."

[Yamato] (That's my Hatsune-san! She has a good eye for people!)

[Yamato] (More! Please, praise me some more!)

[Mama Hatsune] "He doesn't look bad, and has a cute feeling to him. He must be pretty popular with the girls, no?"

[Takeru] "Certainly..... He might be popular, Tachibana-kun. I seem to recall that there were a few people."

[Yamato] (Yes..... Takeru is taking my side! I love you, Takeru!)

[Mikoto] "Ehhhhhhhhhh~, there is such a girl? There isn't..... Um, there definitely isn't. Takeru says that there is, but didn't you mean a neighbor dog or cat?"

[Takeru] "... .."

[Yamato] (Denying until the very end, that Monstrous Tits.....)

[Mama Hatsune] "Ufufufufu..... Oh, well. Let's just leave it at that."

[Mama Hatsune] "Really..... Miko-chan was always easy to see-through."

[Mikoto] "Wh, what do you mean, Mama....."

[Mama Hatsune] "Just what I said~."

Hatsune-san and Takeru both smile at the same time.

Seeing that, Yuu-chan only tilts her neck in confusion.

[Yuu] "So..... Mikoto-san and Takeru-san, it means that the two of you don't have boyfriends, right?"

[Mama Hatsune] "My, my..... Yuu-chan, are you perhaps interested in Yamato-kun?"

[Yamato] (Eh, seriously!?)

[Mikoto] "Yuu-chan, you like guys like that!? You'd better stop that. It's for your own good."

[Yamato] (Mikoto.....You, I'll remember this!!!)

[Yuu] "Auauau..... Th, th, that's not it! I, it's just..... You have such intimate relationship, so I thought that you might be lovers....."

[Yamato] (Yuu-chan, there is no need for you to feel embarrassed. I am honestly interested in you as well.....)

[Yamato] (No, no..... It's only natural for the opposite sex to be interested in that, but the way that Yuu-chan is beating around the bush is so cute.)

[Yamato] (This time, I'll back her up.....)

Master, who up until now was just listening quietly, let out a short sigh.

[Yayoi] "But anyway..... Because of desire, humans managed to come this far."

[Yayoi] "Rest assured, rest assured..... It's a good feeling."

[Takeru] "Eh? All of a sudden, what happened?"

[Yayoi] "Originally, body and soul overlaps each other, so if you were to use some kind of a technique to pull those two apart, that would require tremendous amount of spiritual power."

[Yayoi] "To some extent, you can prolong that effect in a suitable environment, so..... You surely have grown."

[Mama Hatsune] "Ufufu..... Indeed. Yes, he surely did..... Right!"

[Mikoto] "Mom..... What do you mean?"

[Yamato] (I have a really bad feeling about this.....)

When Hatsune-san directs her eyes right at me, she showed a smile full pleasant compassion.

[Mama Hatsune] "Yamato-kun is using sense separation to peek onto a women's bath. Can't you see him..... All of you?"

[Yayoi] "Then, look where I am looking."

[Yayoi] "Thou, universal in life and death, unbound by flesh and laws..... Mist Dispersing Gust!"

[Yamato] "Ugeeeeeeeeeee!?! What the hell is this!?"

The watery surface of hot spring raises, forming my face.

Hot water becomes like jiggly jelly, overlapping the projection of my soul.

Through a wall separating the bath, I felt that my face was stuck.

[Mikoto] "Kyaaaaaaaaaaaaaaah, Ya, Yamato! Right there is Yamato's face!!!"

Looking at the floating image of my face, Mikoto and Yuu-chan opens their eyes widely in surprise. Takeru shakes her head from side to side, as if to say 'Oh, man'.

[Yayoi] "Hot springs water has trapped projection of Yamato's face in one place. Being trapped like that for a few minutes, he should get a 'red face'."

[Mikoto] "Trying to peep..... You're the worst! You fool, you trash, you monkey, you pervert, phimosis!!!"

[Yamato] "Ugugu..... I'm stuck for real....."

I can't pull my face out, not to even mention moving a muscle.

[Mikoto] "Say, Yayoi-san? This watery face..... What would happen if you hit it?"

[Yayoi] "Right now it's the same as his real face. It should feel pain just the same....."

[Yamato] "Ge!"

For a brief moment, Mikoto's lips lifted in a small smile.

[Yayoi] "Now..... I'm going to get out soon. If I were to stay in that hot water for too long, I would probably overheat."

[Takeru] "I will get out, too....."

[Mama Hatsune] "Well then..... Mama wonders if she should get out, too?"

[Yamato] "Ah, wai..... Then, I should get out, too, right? I'll go back home with everybody else, right?"

However, Master's technique doesn't disperse. It looks like my face has been permanently glued to the wooden wall.

[Mikoto] "I'm going to stay here a little bit longer. I'm going to keep that little water demon a thing or two about discipline."

[Yamato] "Ehh..... You can leave, Mikoto. With so much steam in here, I'll get dizzy!"

My made-out-of-water face tries to laugh hysterically.

[Mikoto] "I thank you for worrying about me, you perverted Yamato. But do not worry."

[Mikoto] "And that's because..... Wouldn't it be better for the world and it's people to get rid of such pervert as yourself?"

Mikoto snapped her fingers while approaching me.

[Yamato] "Hey..... Let's discuss this, alright, Mikoto? I wasn't trying to peep, I only wanted to try out this technique."

[Yamato] "Hey, Mikoto..... Calm down..... Mikoto-chan!? Mikoto-chan, Mikoto-sama, Mikoto-megami-sama!!"

[Yamato] "Hey, hey, hey, Yuu-chan! Please do something about that brutal person..... I beg of you!"

Remaining Yuu-chan diverts her eyes from the tragedy that would occur now, closing her eyes and biting her lips.

[Yamato]"Gyaa
aahh!!!"

[Yamato] (You should quit being an Exorcist and become a professional fighter. When it happens, I could become your manager.)

SCENE 7

[Yayoi] “You’re right……. It would be good to tell you now about how the demons were born.”

Master look at the three of us, so we quickly drank our tea and put it down on the desk.

[Yayoi] "The identity of demons..... It is a collection of human emotions. Collection of 'thoughts', in other way."

[Yayoi] "Pleasure, anger, sorrow, comfort..... Various 'emotions' has been piling up over the years, creating the identity of the demons."

[Takeru] "Materialized..... emotions?"

[Yayoi] "Is it so hard to understand? Certainly..... Energy of only one human isn't going to be enough."

[Yayoi] "No matter how many humans, demon couldn't be born."

[Yayoi] "But, those 'emotions' are not of only one person, what if we talk about thousands, tens of thousands, or even hundreds of millions?"

[Yayoi] "What if it stacked for decades, or thousand of years?"

[Takeru] "Then, are you saying that the energy of those 'emotions' is what gave birth to demons?"

Master nods in agreement.

[Yayoi] "And depending on the type of emotion, it determines the type of the demon."

[Yayoi] "You guys have been getting rid of that 'Soul sucking Orchid' for quite some time, which has been born from the feeling of hunger."

[Mikoto] "H, hunger? It looks like something easy..... In the language of flowers."

[Yayoi] "Hunger is the most simple and the most familiar feeling for the organism. That's why 'Soul sucking Orchid' is so easy to handle, and is so formidable in a large numbers."

[Yamato] "That's not the only properties of the demons....."

[Yayoi] "Strong 'emotions' can give birth to strong demons."

[Yayoi] "And among the vast sea of 'emotions', 'anger' is probably the strongest of them all."

[Yayoi] "That 'anger' is what generates the demons..... "

[Yamato] " 'Great Demon'"

I interrupt Master's words, naming what she was about to say.

[Yayoi] "Aa, that's right. 'Great Demon' is the strongest form of monster created by 'anger'.

[Mikoto] " 'Great Demon', huh..... We have never encountered one before, right?"

[Takeru] "Yeah..... I can't begin to imagine how terrifying of a creature it must be."

In the past, while on a demon hunting, we only encountered and fought with monsters known as 'Soul Eating Insect'.

I was a spirit energy eating demon, so it was a formidable enemy, who pushed our abilities to their very limits.

It was a thing seeking to achieve the 'True Demon' status.

All of us went pale on our faces in front of his power, so it was exactly like Takeru has said.

[Yamato] "But among those demons are also the friendly ones, not just the scary ones that Master mentioned."

Suddenly, I remember that perverted demon who appeared in my dreams.

At the same time, in the corner of my mind, word 'mother' vaguely came running by, like a distant memory.

[Yayoi] “ ‘Anger’ is the catalyst that creates the demon, not something that would affect their character.”

[Yayoi] “Among the demons, some of them are closer related to humans..... It is a possibility.”

My mother was a demon. And to add, she was the one called ‘Great Demon’.

And my father was an Exorcist, the one who defeated my mother.

For a lot of different reasons, these to fell in love in each other, and from their love I was born. Demon and human..... Something simply unheard of.

Nearly half of my body is the body of a demon.

Of course Master knows about that.

She won’t tell me the details, but it seems that when I was young we went on a journey to seal away that ‘demon factor’ within me.”

Master came up with a plan to seal my ‘Demon factor’, and for that reason we travelled all over Japan.

The fact that I’m still a human being, it’s all thanks to Master.

[Yayoi] “But never forget this. Demons are being born from ‘anger’..... ‘Shadow’ is their true nature.”

[Yayoi] “They can never be ‘good’.”

[Yayoi] “Even if a human can become a demon, demon can never become human. This..... an undeniable fact.”

This is the answer that Master came up with after many years of research.

Master was looking for a way to seal the ‘shadow’ that was inside of me, but she did not succeed.

That ‘demon gene’ inside of me, it will never be ‘good’.

It may be slumbering now, but it still continues to exist as a ‘shadow’.

[Takeru] “Human is..... becoming a demon?”

[Yayoi] “Although there are various kinds of demons, in the whole history of Japan there were 13 documented cases when human became a demon.”

[Yayoi] “That was the effect of individuals being affected by strong, deeply rooted anger, which caused it to gather from around them.”

[Yayoi] “But..... Whether it is true or not, such thing was never revealed.”

[Yayoi] “There are even more mysterious stories then humans transforming into demons, about demons that occurred naturally.....”

[Yayoi] “The phenomenon of turning into a demon..... For us, Exorcists, that’s an eternal problem.”

Reason for living of demons. The process in which they are born.

Mikoto and Takeru, who has defeated them many times up until now, would never even contemplate such thing.

[Yamato] “Ah..... I, I’m going to toilet. My stomach is starting to hurt.”

Master nods, showing me a gesture that I can leave with her hand, urging me to exit.

... ..

... ..

...

Of course I didn’t go to toilet.

I went to the garden, to catch some fresh air.

Master still continues her story about demons.

And its contents, that's something that I had been told countless times already since Master and I travelled together.

That is why, Master has let me out outside for a purpose.

Mikoto and Takeru also know that there is a 'demon' inside me.

Master is explaining the demons to them, so she probably didn't want those two to be overly conscious of me.

[Yamato] "Demon, huh? Hey, Yamato..... Are you really going to be a 'shadow', forever?"

I asked the other me, the 'demon factor' sleeping inside of me.

His name is 'Yamato'. Now he is sleeping inside me.

By training mentally, I am able to control him to some extent, but I am supposed to be handling him freely any time with no effort at all.

This strength, it has saved Mikoto and Takeru many times.

It is inappropriate of me as an Exorcist, but 'Yamato's' strength has been a powerful trump card up my sleeve.

[Yamato] "Just keep on sleeping like that, Yamato....."

Of course 'Yamato' can't reply to me, since he's sleeping deeply.

Master said that 'The existence of demons is yang'."

Humans are Yin, and those two existences are mixing with each other.

I am myself and 'Yamato' inside me is my 'Yang'.

And as of yesterday, that 'perverted desire' to peep into a women's bath is also a small 'Yang' in my heart.

'Light' mixed with 'Darkness'..... This seems to be the essence of human beings.

But the heart of the demon is only 'Darkness'. It is unlikely that it can have positive effect on 'Light'.

That being said, I do not obediently accept Master's every word.

I can feel that warmth of my mother in the distant corner of my memories thanks to this 'Darkness' of mine.

It's a vague memory from my childhood, but still it's the one of those precious memories of mother that was left to me.

Previously, after that story was over, Master said that 'it may not be [Yang] but something of an [instinct]', something like 'Maternal instinct'.

'Yang' and 'Maternal instinct', I don't know in what way they are similar, Master's word still don't convince me even now.

Lately, I feel that this feeling of warmth surrounding that 'Darkness' will remain a mystery forever.

For giving birth to a human boy, my Mother was killed by her brethren on account of 'treason'.

Giving that warmth to me, there is a certain sense of accomplishment, that no words can even describe.

[Yamato] "... .."

I look up to the sky.

Up on the autumn sky, thin clouds gradually pass by.

Right now, Master should be describing 'God' to Mikoto and Takeru.

There is this thing that created 'dark emotions', and thanks to those 'dark emotions' demons were created. We call this thing God.

So when we talk about the demons, we must also simultaneously talk about God.

'Light' and 'Darkness'. 'Demons' and 'God'. Those things always come in sets.

Although 'Light' and 'Darkness' we can witness almost every day, God is less likely to materialize.

Me, having seen the terrible presence of demons, I have not even once saw an image of God.

If there are people similar to God, I remember that up until now I saw a few like that.

[Mama Hatsune] "My, my..... What's wrong, Yamato-kun?"

[Yamato] "Ah, Hatsune-san....."

That woman who appeared at the front door, she was one of those 'Goddess-people' I was talking about.

Her warm, full of affection smile wrapped around my heart, healing it instantly.

[Mama Hatsune] "Ufufu. Being in such place..... Are you taking a break?"

[Yamato] "Ah, no. I just came here to catch some fresh air..... Are you going out somewhere?"

[Mama Hatsune] "Yes. Though it's only a little Exorcism job....."

[Mama Hatsune] "Ahh~, that's right. Want to go with me, Yamato-kun?"

[Yamato] "Eh?"

[Mama Hatsune] "A trip, a trip. It won't be anything dangerous, so rest assured, Yamato-kun."

[Mama Hatsune] "In the future, if you decide to continue with this job, you should see how the work of Exorcists truly looks like."

[Yamato] "But..... What about studying....."

I shoot a quick glance at the entrance to the house.

[Mama Hatsune] "This trip will show you exorcising of other people, so I think it will be quite good example for your studies~."

[Yamato] "... .."

Hatsune-san tilts her head slightly, staring right at my face.

She's looking at me calmly, waiting for my reply.

[Yamato] "..... Well then, thank you for your invitation."

Hatsune-san smiles pleasantly and takes my hand.

... ..

... ..

...

It is the idyllic landscape of a countryside. Hatsune-san and I are walking alongside it.

Last night, it was the exact same road that we used on our trip to the hot springs.

Yesterday I didn't notice it at all, but the more we got away from the village, the more of old houses popped out.

[Yamato] "Are we going in here somewhere?"

[Mama Hatsune] "Yes, just to this village."

[Yamato] "Eh..... But isn't that an Exorcist village? So, the demons can cause harm in such place?"

[Mama Hatsune] "Yes, that's right~. Certainly, most of the houses in the vicinity of Ayagami village can get involved in some demonic incidents from time to time."

[Mama Hatsune] "For generations, my family has been fighting with demons."

[Mama Hatsune] "That is why..... That is why, there is always so little damage..... Ufufu."

Although Hatsune-san explains it with a smile full of compassion on her face, she does not look like at laughing at all.

Damage caused by demons. Although it sounds harsh, I have experienced it first-hand many times.

[Mama Hatsune] "Here..... We have arrived. Yamato-kun, this way, this way~"

Hatsune-san enters an old-fashioned hut.

Although there is no sign of people living in here, the place is well maintained and clean.

It kind of resemble a small community centre.

When Hatsune-san enters, there were already eight young men waiting inside.

Everyone looked like Exorcists. The moment they see Hatsune-san, they bow their heads deeply.

Then, the men surrounds Hatsune-san, all at once taking off their clothes.

[Yamato] "Wa, wait a second! You, what do you think you're doing!!"

I tried to jump in between them, but Hatsune-san raises her hand and stops me.

[Mama Hatsune] "W, Wait, Yamato-kun! It's okay..... Everything's okay~."

[Mama Hatsune] "This the job I was telling you about..... So please calm down..... Okay?"

[Yamato] "B, but....."

Many of the men pull out their penises, pointing them towards Hatsune-san.

No matter how you put it, this is just weird.

[Mama Hatsune] "Those children are all Exorcists. Look..... Right there, in between their legs....."

[Yamato] ".....!?"

If you look closely, you could see that the men's penises were all possessed by demons.

No. Would it be more correct if I was to say that it was a parasite?

Its surface is distorted with blisters, its shape is deformed, it looks just like a huge ugly Goya with swollen blood vessels all over it.

It convulse and squirms obscenely, but it is by no means a reflection of the host pulse.

It has a will of it's own, and that pulsation is a reflection of a demon's heart that is hidden somewhere in it,

[Yamato] "This, this is....."

[Mama Hatsune] "Exorcist work involves a certain level of risk. You let your guard down for a moment, and this the result you will get....."

[Mama Hatsune] "In order to get rid of the demons, those Exorcists offered to use their bodies as a bait on purpose for parasites to take root."

[Mama Hatsune] "Take a good look, Yamato-kun."

[Mama Hatsune] "This is ours, Exorcists job. To ease the suffering of those affected by demons."

[Yamato] "... .."

I am at a loss for words.

[Mama Hatsune] "Even now, as we are standing here, pain is surging through these kids crotches."

[Mama Hatsune] "Surely, this kind of pain is unknown to you, Yamato-kun."

Although these men are pretending to be calm, you can see greasy sweat on their faces.

[Mama Hatsune] "Demons are easy to extract if you lose yourself in desire. If he entrust himself, it will surely give him a great pleasure.

[Mama Hatsune] "But, such behavior is unfit of Exorcists....."

[Mama Hatsune] "Temptation of demons leave these kids with severe pain instead, the one that they are not able to easily withstand."

On closer inspection, talismans are attached to men's hips.

I'm sure that the talismans concentrate on the demons power in the crotch, but I still wonder if it is enough to keep the parasite from spreading further.

But demons won't intend on staying quiet.

They are eating away of their host spirit, wanting to take over his whole body. The price for it is 'severe pain'."

[Mama Hatsune] "So now..... My role is to purify these kid who has been infected by demons."

[Mama Hatsune] "The power of demons is reduced by sexual desire, so then it can be expelled outside. Yamato-kun..... This..... Please have a look."

[Mama Hatsune] "Wordly desires that are rooted and conduct..... Thou world is located in the white abyss of gray."

In an instant, the room is wrapped in pale light.

looking around, there are charms fixed to the walls of the room, that emits some kind of a force activated by Hatsune-san's incantation.

SCENE 8

[Mama Hatsune] "Nnn....."

Squeezing the outstretched member, its body shakes and pulsates a little.

[Exorcist A] "Uuu.....!!"

[Exorcist B] "Haa... Haa..."

Two people leaked out their voices and rough breath as I take them both in my hands.

And the other one.....

[Exorcist C] "Guuuuuu....."

He convulses repeatedly, looking at me intentionally.

His member is standing right in front of me, covered in secretions and dyed in a grotesque color.

[Mama Hatsune] "Nn..... It's alright. See..... because soon, see....."

I said to soothe the children down, firmly gripping them with my hands and jerking them.

Then, I began to stroke them back and forth strongly, wet and covered in mucus.

[Exorcist A] "Uu..... Oohoooh.....!!"

[Exorcist B] "Ha, Hatsune-san....."

Just after a few jerks, they moan from the back of their throats, furring their brows painfully.

I can feel the trembling of their hips through my hands.

[Mama Hatsune] "This penis here..... Hamuu..... Nn, kuchuu, nchuu....."

[Exorcist C] "Uu, Uahhhh.....!"

Since both of my hands are currently busy, I put this member right in front of my eyes into my mouth.

My lips gently rub the surface..... Not only that, but it bounces on my tongue as if it was a living creature.

Everyone's eyes were gazing upwards uniformly.

But on the other hand, I was sorry for doing such thing to them, as confusing as it may sound.

[Mama Hatsune] "Nnn, chuu..... mmm, mmm..... picha, nmm....."

[Mama Hatsune] "Chupa..... Nnn..... I'm sorry, I'll be done quickly..... Nchuu....."

I said that while using my tongue and lips and moving my hands.

On top of tongue, a kind of bitter and sour liquid is spreading.

Both of my hands, the things that I'm gripping leave slimy traces of naughty juice on them.

[Mama Hatsune] "Chuu..... Chuu, lick, lick..... Nnn! Hamu, hamuu....."

[Exorcist C] "Guuuuuuu, fuuu..... Ku..... Uuu....."

[Exorcist A] "Haa..... Haa..... Uu, ku....."

[Exorcist B] "Nguuu..... Kuu, fu..... Uuu....."

Suck, suck..... Smooch, smooch.....

Members grinding in my hands produce a whole lot of liquid, as I squeeze them tightly and jerk them strongly, causing their bodies to arch.

[Mama Hatsune] "Fuaah..... Sho hot..... Nnn, smooch, lick..... They are becoming so hot, so much..... Twitching so much."

Grasping my heart, I can feel my mouth being full.

The energy surging through members beat and pulse, revealing their strong, growing desire.

Bumps protruding here and there, they acted like if they had a will on their own.

Usual purification, usual sight, usual sense. But today, it was slightly different then usual.

[Yamato] "Haa... Haa..."

[Mama Hatsune] (Yamato-kun)

The sound is faintly reaching to my ears, his breath was becoming increasingly rough.

[Mama Hatsune] (Yamato-kun is watching me.....)

I can feel it with my whole body, his carnivorous gaze.

It made me feel excited, as if a whole lot of tentacles were crawling on my skin.

[Mama Hatsune] "Nfu..... Smooch, smoooch..... Lick, nmuu....."

My mouth is full to the brim with this thing.

Tightening my lips I move my head lightly, comforting it with my tongue at the same time.

Suck, suck..... Smooch, smooch.....

In both of my hands, there is constant wriggling, pulsating, convulsing, quivering.

[Exorcist A] "Ofuu..... Ouuh, Ooooooh..... Ha, Hatsune-san....."

[Exorcist B] "F, faster and faster.....! Haaa..... Haaa..... Afuuu."

[Exorcist C] "Kuuu..... Inside, tongue is..... M, moving....."

My every move is causing them more pleasure.

Call me weird if you want, but it seems that I too was gradually sinking in pleasure.

[Mama Hatsune] "Haa..... Nnn, it's good like that..... right~? Here, feel even better....."

I whisper, encouraging them to do such thing, to which they all seem embarrassed.

Seeing this, it makes me a little happy.

[Mama Hatsune] "NN, nnn..... Inside my hands, inside my mouth..... So much..... Haa..... They are trembling so much."

[Mama Hatsune] "Nnn, smooch..... Nn! Nfu, nnn, lick, lick, lick..... Smoooooooooh!"

[Exorcist C] "Ofuuuu, ooooooh, w, it's wrapping around it like crazy.....!"

Probably because of his naughty liquid, the sensation on my tongue gradually disappears.

That tongue, while still moving desperately, sucks strongly together with lips on that big penis.

[Mama Hatsune] (So hot..... Penises in my hands and penis in my mouth, they are all so hot, and big.....)

While being touched with that pulsation, I could feel it with my whole body..... And hot fire started to burn inside me.

[Mama Hatsune] (My body, it is even more sensitive than usual.Nnn..... My heart is pounding so much.....)

Scorching hot, hard as rock penises pushing into me.

While serving them, my womanly part inside of me becomes hot, mushy and throbbing.

Under the thin cloth of my robe, my nipples are getting hard.

My erected nipples push against the cloth, clearly asserting their presence.

[Mama Hatsune] "Nbuu, nnn, lick..... Smooch..... Nmuuuuuu.....!"

Smack, suck, suck, smooch, smooch, smooch.....!

Loud noises can be heard from standing things.

[Exorcist A] "Uguu..... Uuuh, Uu, ku, fuuuaah.....!"

[Exorcist A] "Haa, haa, haa..... S, so good.....!"

[Exorcist C] "Oh, oooh..... I, I feel like melting....."

Leaking their severely ecstatic voices, completely unaware, the three of them shake their hips like crazy.

I also synchronize with their movement, tightening my palms and strongly sealing my lips.

455uuuu.sune] "g their presence.

e cloth, sensation on my tongue gradually disappears.

[Mama Hatsune] (Nnn..... Tongue and lips..... Ofuuu..... Hands and fingers are all tingling..... I can feel it with them all~!)

Wetted with overflowing naughty juices, my body is simmering with it.

[Mama Hatsune] "Nnn..... Kuu, kuu..... Smooch..... Nmuu, haa..... Afuu....."

Even if this is serving, the core of my head is starting to blur with pleasure.

Swallowing saliva mixed with penis liquid, my stomach becomes hot bit by bit.

[Yamato] "Haa..... Ku..... Kuu..... Haaa....."

I can feel Yamato-kun's gaze on me.

[Mama Hatsune] (Ah..... I, I can feel it, being seen.....)

Yamato-kun surely must have noticed it, too.

My hardening nipples and body suddenly becoming hot, the ecstasy caused by sucking penis.....

[Mama Hatsune] "Nfuu..... Smooch, nmuuu, nnn, nnn, suck..... Lick, lick, smooch.....!"

[Exorcist C] "Oooh, ooooooh..... I, incredible.....!!"

[Exorcist A] "Haa, haa, aaaah..... M, my hips are about to melt....."

[Exorcist B] "Ha, Hatsune-san..... Kuuu, I, I....."

[Mama Hatsune] "Nnnnnn, nnn, smooch..... Chupa, chupa..... A, are you going to let it all out.....?"

[Mama Hatsune] "Inside of my body, nfuu..... Smooch, chuu, release it all....."

While saying that, I started to stimulate them more strongly with my hands.

[Mama Hatsune] (Auuu..... I, ahh..... I'm becoming so hot down there, so tingly.....)

My whole body is numb as if becoming one big erogenous zone, tingling all over.

Especially the palm of my hands and my mouth, this feeling of trembling was very similar to that in my genitals.

[Mama Hatsune] (Penis..... I feel like there were three penises put inside of me.....)

Smack, smack..... Splash, splash, splash, smack, smack!

The three people rocked their waists strongly.

Movement of my hand synchronizes with movement of my hands, friction becoming more powerful.

This friction is affecting not only me, but also them, pushing them down the vortex of pleasure.

[Mama Hatsune] (It, it's always like this..... I just cannot resist this weird feeling.....)

It even served as to enhance this taste of excitement up here.

Yet right now, it really feels as if I was having sex..... From this feeling, my body feels decomposed.

[Mama Hatsune] (B, being seen like this..... Haaan..... Because Yamato-kun can see me like this..... I My heart is pounding so much.....)

[Yamato] "Haaan..... Kuu, uuuh.....!"

The sounds of painful breathing are reaching my ears.

Looking at me, looking at me like that, it made Yamato-kun excited.

In fact, it made me heavily excited as well.

[Mama Hatsune] "Lick..... Suck, nnn, nkuu, smooch, nmuu..... Afuuu..... Nnnnnn.....!!"

[Exorcist C] "Ouuuuuuuh, fuuu, uuu, ku, uuuuuuuu, haaa, haa.....!"

Their heads started to become large, while I was squeezing them and wriggling my tongue around them.

From their things, there was leaking some liquid, entangling and spouting right into my mouth.

[Exorcist A] "Guuuuuuu, fuuu, nnn, nguu..... I.....!!"

[Exorcist B] "M, Me too....., I won't be..... Haaa, haaa, ah, kuuuu.....!!"

Smack, smack, bump, bump!

Penis liquid is bubbling in my palms, making noises similar to those of insertion.

[Mama Hatsune] "Nmuuuu, nfuu....., nnn, hamuu, nnnnn, smooch, kiss.....!"

While furiously sucking dick in my mouth, I moved my hands like mad.

Slide, slide, I jerked the tips of their heads, wrapping my hands around them.

They become bigger again, as I quickly squeezed them from the base all the way to the tip.

[Mama Hatsune] (Aah..... Nnn, haa..... Penis, penis, twitching so much.....!)

From the very core of my body, hot and tingling sensation is scattering through every corner of my body.

My hands and my mouth are as sensitive as my genitals, enjoying the heat and pulsation of the dicks.

[Mama Hatsune] (I can't..... Even though Yamato-kun is watching..... I, I can't get swept away by this naughty feeling.....!)

I try to scold myself like that.

But my body is getting wet, burning hot, unwillingly moves its waist, trembles its legs.

[Yamato] "Haa..... Ah..... Hatsune-san....."

[Mama Hatsune] "Nnnnn, smooch..... Smooooch..... Kiss, nkuu, nkuu.....!"

Becoming excited myself, I direct my eyes in direction of Yamato-kun.

Having this pseudo sexual intercourse, I continue to look at him with my excitement filled eyes.

This gaze becomes like tentacles, driving on top of my sensitive skin.

As if pressed by his sight, I finally continue to stimulate penises in front of me in a greedy and violent fashion.

[Exorcist A] "Guuuuuuuuu, haa, haa, ahh, it's..... It's no use.....!!"

While shaking and rocking his hips, one person cried out loud like that.

[Exorcist B] "Haah, me as well..... I'm letting it out, ugh.....!!"

[Exorcist C] "Ah, aah..... Cumming..... Cumming, I'm letting out all I've got.....!!"

Rub, rub, rub, smack, smack, smack, bump, bump!

While making a loud noises, I provide them service with ecstasy.

Penis in mouth was getting bigger with every thrust, choking me as I sucked it and squeezed on it all the way.

[Mama Hatsune] "Habuu..... Nmuuu, nnn, nnn, fuguu..... Let it out, let it all out.....!"

[Mama Hatsune] "All of the penises, your hot stuff, nmuu, spray it all over me.....!!"

I begged miserably, while I rubbed these three things strongly and tightly.

[Exorcist A] "Ooooooh.....!! I'm cumming, I'm cumming, I'm letting it out!!"

[Exorcist B] "Uaaaaaaah.....!!"

[Exorcist C] "Ouuu, Oooohhh, kuu, uuu, uuuuaah!!"

As a reaction to my intense stimulation, three people let out beast-like roar.

And right after that. The three penises bounced strongly and exploded all at once!

Splurt, splurt!! Splosh, splosh, splurt!!!

[Mama Hatsune] "NNNNNNNN!! NFUU, FUGUUUUUU!!!"

A huge amount of semen is sprayed all over my body, my face and in the back of my throat.

[Mama Hatsune] "Nguguu, nbuu, nnn, nguu, nbubuu..... Nkuu, nnn!!"

The stickiness of jelly semen, I try to swallow it desperately.

My nose is pierced by a strong odor time and time again, as a bitter liquid is pouring to the back of my throat.

[Exorcist A] "Guuuuu..... Fuu, fuu, uuuuuh....."

[Exorcist B] "Haa, haa, haa, haa....."

[Exorcist C] "Ooh, oooooohh..... Ofuu..... Ofuu....."

The three people keep on moaning until their last drops are squeezed, their waists trembling in convulsions.

[Mama Hatsune] "Nguu..... Nbuuu, nnnnnnnn..... Nnn, fuuu, nnuuuuu....."

Their spasm are having its effect on me as well, making me go quiver and feel some strange, sweet sensation.

I remember the quick dizziness and grassy smell of semen wrapped around my body. But my core was still hot and trembling.

[Mama Hatsune] "Nfuu..... Nnn..... Puhaaa....."

The penis is extracted from my mouth with bulging sound.

And, at the same time.

[Exorcist A] "Oh..... Ohhh.....!!"

[Exorcist B] "Haa, haa, ahh....."

[Exorcist C] "I, I came back..... to normal....."

[Yamato] ".....!?"

The grotesque shape of penises started to went back to normal.

To normal, pulsating penis with the color of flesh.....

[Mama Hatsune] "Haa..... Nnn..... It's, it's over....."

[Exorcist A] "..... T, thank you very much.....!"

[Exorcist B] "Haa, ah..... Thank you very much....."

[Exorcist C] "Thank you, very much.....!"

Three people say their thanks in unison, while still trembling in the aftermath of a strong pleasure.

[Mama Hatsune] "Next is..... Nnn..... This one....."

[Exorcist D] "Uuh....."

[Exorcist E] "Aah..... P, please, I beg of you....."

[Exorcist F] "Ukuu....."

Of course I only finished with the first group, so I don't even have time to rest.

While still being messed up, I reached for the next three.

[Mama Hatsune] "Hamuu..... Hamuu, nnn, smooch..... Nnn, so hot already..... Nnn, smooch.....!"

[Exorcist F] "Aaaah.....!! Kuu, nnn....."

[Exorcist D] "Haa, haa, ahh....."

[Exorcist E] "Uuuuuuuuh..... This, this feels too good!!"

Thanks to my efforts, in just a short passage of time another three penises are hard and sturdy.

Twitching and warping, they bounce strongly right in front of me, wriggling and pulsating as if being on a verge of bursting.

[Mama Hatsune] "Nnn..... Nmuu, nnn..... Nnnnnn....."

Moving my tongue vigorously, I tickle the penis in my mouth with my tightly shut lips.

Each time that liquid dripped through them, I would think of Yamato-kun.

[Yamato] "Fuu..... Fuu..... Uh, kuuh....."

Hot sighs pleasantly stimulated my eardrums.

Seeing the lot of us in such state, I'm sure that Yamato-kun's penis must have become harder and larger.

So I thought.....

[Mama Hatsune] (Aah..... Nnn, I can't..... be thinking such things.....)

Disgraceful imagination is making my body starting to throb.

Seeing myself like that, I can't help myself but tremble.

[Mama Hatsune] (I have to concentrate.....)

Resolving myself, I put more force on new members.

But then it happened. One of the Exorcists who was waiting for his purification raised his languishing face, coming closer.

[Mama Hatsune] "Fuaah..... Nnn, what the..... Ah....."

[Exorcist G] "I, I'm sorry, I..... can't take it anymore.....!"

He says that while marking my hair with his semen.

And going even further, he tangles my hair around his erect thing.

[Mama Hatsune] "Hafuu..... This is..... Nnn....."

[Exorcist G] "Uuh, uh..... Kuu..... Hatsune-san..... Haa, Haa.....!!"

Then, he proceeded to rub his lumpy penis with my hair.

[Mama Hatsune] "Hamuu..... Nnn, nh, fuuh..... Nnn....."

Furiously protruding his hips, moving his hand in excitement, even I started to get in a weird mood.

The room was filled with excitement, it was enough to suffocate in this heat.

[Mama Hatsune] "Nmuu..... Nnn, nnn, kiss..... Lick, lick, smooch..... Lick, kiss.....!"

Me too, I'm not holding myself back at with messing up that penises.

[Exorcist D] "Kuuuuuuh! Uuh, good..... Haa, haa, it feels good.....!!"

[Exorcist E] "Haa, ah, ah, haa, so strong..... If, if you jerk it so quickly!!"

[Exorcist F] "T, the tongue won't stop moving..... Haa, ah, lips suck so strongly.....!!"

Slide, slide, smack, smack, suck, suck!

Feeling strong pleasure, everyone shook their waists while gasping for breath and moaning.

Making foaming noises, their members won't stop spitting out liquid, even my hands and mouth were painted with lots of that honey substance.

[Mama Hatsune] "Nbubu..... Nnn..... H, hurry..... Smooch, re, relive yourselves..... Smooch, smooch, smack.....!"

[Mama Hatsune] "Nmu..... Penis is going all the way..... Nnn, smooch..... All the way inside....."

[Exorcist G] "Uh..... Kuu, haaa, haaa, haaa.....!"

My hair make rustling noises, entangled around penis.

While listening to that sound I begin to feel strange..... As if my hair had become one big erogenous zone.

[Mama Hatsune] (Aaah..... My body..... My whole body is getting squeezed by penis)

Feeling as if I was drunk, I think I could see the sight of agony in Yamato-kun's eyes.

[Mama Hatsune] (Even if it is my job..... Nnn, ahn..... I'm getting..... I'm getting so horny.....)

Shifting his gaze slowly, he's been sliding it up and down my body.

The fabric of my clothes was sticking tightly to my skin, letting my pink nipples to be seen through it.

My hard nipples, pointing out from the bulges of my chest.

Wrapping all over me, I was exposed to this gaze full of excitement of this boy.

[Mama Hatsune] "Hamuuu..... Smooch, nnn..... Kiss, slurp, slurp.....!"

Using my hands, mouth and even hair, I figured they must be euphoric right now.

That's the feeling that most probably is reflected in Yamato-kun right now.

[Mama Hatsune] "Nhuu..... Nnnnnn, nnn..... Kufuu..... Smooch, slurp, nnn..... Hamuu....."

Making bumping noises, I swallowed the lively penis with my pursed lips.

[Mama Hatsune] "Hamuu, hamuu..... Nnn, suuuuck, smack, smack....."

[Exorcist F] "Kuuuuuuuh..... Fuuh..... Ukuu.....!"

While feeling spasms and trembling of their hips, they brutally stirred their glans, forcing me suck and lick them in turns.

[Exorcist D] "Haa, haa, aaahhh....."

[Exorcist E] "Fuuu..... Uuuuuuh, this, this is, incredible.....!"

[Exorcist G] "Being entangled..... Haa, with Hatsune-san's hair..... is unbearable....."

Restlessly moving and wriggling in my mouth, I firmly hold both penises in my hands in response.

Also moving my hair wrapped around another penis, I wanted to raise his pleasure as high as I could.

[Mama Hatsune] "Fuu..... Nnn, nkuu, nnn..... Haa..... Ah, nnn..... Suck.....!"

Tingling and numbness in my hands were repeated so many times that they were likely to suffer scratches and burns.

[Mama Hatsune] (Hot..... Everyone's penises are so hot.....)

It's almost like if the magical energy accumulated within them has turned into heat.

Pulsation continues to paralyze my tongue, caused by large and hot object.

[Mama Hatsune] (Haa..... M, melting..... I'm melting..... from the heat.....)

Not only my hands and mouth, but my whole body was numb from this heat.

It is not something in the air, but something coming straight from the body.

[Mama Hatsune] (Ahh..... No..... Nnn, I..... O, over there.....)

Ripen..... and sweet, heavy honey-like sensation.

Wriggling hips, every time I twisted my lower limbs, you could see traces of slimy nectar leaking out of my private place.

[Mama Hatsune] (Nnn..... Yamato-kun seeing me servicing these penises, it makes me..... It makes me so wet and horny.....)

Sticky liquid overflows and flows down my thigh, sticking persistently to my legs.

Of course being seen like that was embarrassing beyond belief, but still, my body continued to grow even more sensitive.

[Mama Hatsune] "Nnn..... Nmuu, nnn, nnn..... Kiss..... Smack, smack.....!"

[Exorcist F] "Ofuuuoh..... Oh, ooh..... Ukuuh.....!"

[Exorcist D] "Haa..... Haa..... Aaahh..... S, something is w, welling up like crazy....."

[Exorcist E] "S, so fast..... So fast.....!! Kuh.....!!"

[Exorcist G] "Haa, haa, haa..... M, me too....."

My tongue, my hands, my hair, they were all one big erogenous zone for me.

Their waists shaking and trembling, but not only theirs.....

[Mama Hatsune] (Nnnnnnnnn..... My hips are shakingggg..... My pussy is itching..... Haa..... Haa!)

My body was overcome with strong desire.

Struck violently with a sensation similar to impatience, I greedily tighten my grip on those dicks.

[Mama Hatsune] (Being seen..... Makes me excited..... So much...)

While thinking like that, on the other hand, it makes me even more excited.

[Mama Hatsune] "Suuuuuuck..... smaaack, kiiiiss..... Nfuu, nkuu....."

I swallow saliva intermingled with pre cum , which sticks to my throat.

My spine continues to thrill and tremble, as the swallowed body fluids of these men makes my stomach so hot.

[Exorcist D] "Haa, haa..... Hatsune-san! I..... I, I cannot hold it....."

Shouted one of them, while heavily breathing and panting.

[Exorcist E] "Me too..... Haa, haa, It's going to come out! Uh..... Uuh..... I can't.....!"

[Mama Hatsune] "Hafuu..... Nnn, it's alright, it's okay..... Nfuuu. Kiss, smooch..... Let it out..... It's okay to let it all out whenever you want~!"

Urging them, I hold the slimy dicks firmly in my hands, preventing them from escaping.

[Exorcist D] "Kuuuuuuhhh!!"

[Exorcist E] "Uoooooohhh!!"

Kiiissssss, kiss, suuuck, suuuck, smaaack, smaaack!

Large doses of liquid leak on my palms, and just like before I'm short on breath as I squeeze them from the root to the tip.

Like that, I quickly and fiercely move both of my hands.

They make wet and sloppy sounds as I move, and when I pull out they make a bubbling sound together with white and cloudy traces of liquid.

[Mama Hatsune] "Hafuuu..... Nnn, this stiffness..... More....."

A number of bumps started to grow of the penises, crashed in my palms thanks to the friction.

[Exorcist D] "Uaaaaaahhh.....! Haa, ah, kuuh!!"

[Exorcist E] "This, this is too much.....!! Haa, haa, aaaaaahhh.....!!"

Rubbing their members, two bodies jerked violently.

[Mama Hatsune] "Suuuck, suuck, nn, kiss..... Nfuufuu, nnnnnnnnnkuh.....!!"

At the same time, hot penis penetrates deep into my throat.

My tongue and jaw and cheeks wrapped around penis, I try to wring out as much pleasure from it as I can with my pursed lips.

[Exorcist F] "Guuuooohhh, it's coming out, haa, this, this time for real.....!!"

[Exorcist G] "Haa, haa, aaaaaahhhhhh..... Semen..... Have some semen.....!!"

Heavy panting can be heard, as well as many sighs and voices.

Mine as well, and Yamato-kun too.....

[Mama Hatsune] "Fuguuuuh..... Nh, nnnnnn, nhnmm! Sluuurp.....!!"

Let it out, instead of saying that, I sucked hard on the dick.

Also, I strongly stroked the other two dick, to a degree that was almost painful, guiding them straight to ecstasy.

[Exorcist D] "Uoooooohhh.....!!"

[Exorcist E] "Kuuuuuuuh, uuh, uguuh.....!!"

Synchronizing my breath with this rhythm, it was transmitted through my skin.

And in the next moment --

[Mama Hatsune] "Nguguguuuuuuuh!! Nfuufuu, nnn, nguuu..... Nguguguuuh!!"

Splurt, splurt!! Splurt, splurt!!

At once, from all directions boiling-hot semen erupted.

Fresh semen dripped all over my dry sperm-stained body, gradually dripping and spreading anew all over it.

[Exorcist F] "Haa..... Ah, haa, aaahhh..... Ah, kuh.....!!"

[Exorcist G] "Uooohh..... Ufuu..... Fuuuoooh.....!!"

Steam coming from sperm juices filled the room, making it even darker than before.

A heavy odor struck my nose. But, it also made my body tremble all over.

[Mama Hatsune] (Nuuuhhh..... I, I..... I came while d, d, drinking semen.....)

[Mama Hatsune] (He's watching..... Aaahh..... Yamato-kun is watching me. Watching me cumming.....!)

I tremble and I feel like my whole body is melting, feeling clear and great pleasure.

Splurt, splurt, splurt.....!!

With a slight twitch, their exhausted bodies tremble and wither one after the other.

My whole body overflowing with their liquids, I had squinted in ecstasy.

... ..

... ..

...

[Exorcist H] "Haa, haa, haa..... Aguuuh.....!!"

[Mama Hatsune] "Nbubuu..... Fuguu, nnnnnn, nh, nmuuu....."

Swallow, smack, slurp, lick, lick.....!

My mouth has been plugged with a thick penis.

I wasn't able to recall if the purification of the other group ended successfully.

[Mama Hatsune] "Fuguu, ngunguu..... Nnn, so big, this penis is too big.....!!"

[Exorcist H] "Haa, aaaahh..... My, my penis, is growing so big in your mouth.....!!"

Why this thick thing is torturing my throat, I have continued to move my tongue desperately and forcefully.

His penis goes in and out of my mouth while whipping drops of saliva everywhere, it seemed that this one was slowly approaching his limit as well.

[Mama Hatsune] "Fugoooh, fuguuh, nguuh.....Uguuh! Nnn, nnnnnnhhh.....!!"

Being caught deeply inside my throat, he leaks out a voice similar to a scream.

[Exorcist H] "Kuuuh..... I'm, I'm sorry..... For being so rough....."

Aside from my movement, he's been also jerking his waist hard.

And because it was something so large, with its every violent movement I felt like I was choking deep inside my throat.

[Mama Hatsune] "Npuuh..... Nguu, nnnhhh..... It's okay..... It's..... alright..... Hapuuh, nnh....."

[Mama Hatsune] "M, More..... Nguguuh, suuuuuuck..... Make yourself..... feel even better..... Nmuuh.....!"

[Exorcist H] "Ohoooh..... Oh, oooh..... Ooooh.....!!"

Using my whole mouth, I moved my head desperately.

Making a good use of my lips as well, a mixture of saliva and semen drips out of them.

My face and my body felt filthy and slimy like a slug, having been sprinkled with the seed of so many people.

And the smell of semen in this room was so strong right now, that one would likely suffocate in it.

Inhaling this incense, I felt like I became drunk, but Yamato-kun's gaze was still fixed on me.

[Mama Hatsune] (Yamato..... kun.....)

In that intense excitement, that stern exorcist, Yamato-kun would have my image burned in his eyes.

[Mama Hatsune] "Npuuh..... Nguu, nh, nmuuuuuuh.....!!"

[Exorcist H] "Haa, haa..... Ah, kuu..... Uuhhh.....!!"

He's twitching in my mouth, growing bigger and swelling.

He swings his waist as if having real sex with me, making me short on breath.

[Mama Hatsune] "Haguu..... Hamuuuh, smack..... Suuuuuuck!"

Pushing it up against the inside of my cheek, I rub the penis.

Like a lumpy and hardened surface of a rock, I tried to lick it desperately.

[Mama Hatsune] "Suuuuuuck..... Swallow, smack....."

I narrow my mouth and try to suck back the running saliva, gulping it all down together with his pre-cum.

Penis scratches the inside of my mouth roughly and fiercely.

His smegma, up till now stuck somewhere hard-to-reach, is salty and smells, numbing my tongue with every lick.

[Exorcist H] "Aguuh..... Haaa, I can't stop..... I can't stop my hips!"

[Mama Hatsune] "Nhguuh, nfuuuuu, nmumumu, nnn..... Suck, ngugu.....!"

Rubbing this penis with my tongue, I feel something like a paralysis.

Going deeply, then retreating, then going deeply again and again retreating, this dick is going back and forth up to my esophagus.

[Mama Hatsune] "Nguooh, nnnnnn, npupupu..... Nguh, nnnnnn, nfuu, nmuuuh, muuuuh.....!!"

Such things being too much from me, tears began to flow from my eyes.

[Exorcist H] "Haa, haaaaaah..... I'm so sorry.....!!"

He says, but still continues to move his waist.

[Mama Hatsune] "Nguuuuuuh, hmumu, nnn, it's, alright..... Keep going, npuuh....."

[Mama Hatsune] "Directly..... Nnn..... Just pour all of your semen, directly, into my stomach..... Hyaah, nguuuuuuhhh.....!!"

Sweat and tears, and saliva and runny nose and semen.

Taken all together, they have made a mess out of my face.

[Exorcist H] "Oooooooooh..... It's coming, haa, aaaaahh, coming, the seed is coming!!"

[Mama Hatsune] "Fuuh..... Uuuh, nmuuuh..... Suuck, nnnnnn, nhfuu.....!!"

Stating as such, his moves began to accelerate.

At the same time, bumps all over his dick began to bounce and pulse all at once.

[Mama Hatsune] "Nnnnnnhhh! Nguguuh, nnn, nmuuuh!!"

Coming!!!

As clearly as it's precursors, it was all transmitted to my mouth.

And in the next moment.

[Mama Hatsune] "Fuuuuuugh..... Nguuuuuuuuhhngghh!!!"

Splurt, splurt, splurt!!! Splurt, splurt, splurt!!!

A large amount of semen was released with an amazing force to the back of my throat.

[Exorcist H] "Oguuh..... Ufuuuuuuh!!! Kufuuh, uh, ooohhh!!!"

[Mama Hatsune] "Npuuuuuuh, nguguuh, fuguuh, nguguu..... Nguh, nguguuh....."

It twitches in furious rhythm.

Trying to catch all of the semen with my mouth and breathing through the nose, I swallow all of it desperately.

It makes me sore and role my eyes backwards, making my whole body feel heavy as lead.

[Mama Hatsune] (Nuuuh..... Stomach..... My stomach is filled to the brim with sperm.....)

The amount of semen in my stomach was so big, that it made a sound even if I stayed motionless.

An uncountable servings of semen.

Going even further, I just added some new amount to it.

[Mama Hatsune] “Npupuuh..... Suck..... Suuuck..... Nnn, kiss..... Kiiiiiss.....”

I licked and sucked on that stubborn penis, which was still rock hard and pulsating.

Twitch, twitch..... Twitch, twitch..... Twitch.....

In my exhausted oral cavity I squeeze every last drop out of it.

[Mama Hatsune] “Nbuuh.....! Haah, haah, haah, haaaaaa.....”

Splash, splash..... I collapse on the ground and lose consciousness, my stomach had become just like a tank full of semen.

SCENE 9

Having taken care of the spiritual power exhaustion, Hatsune-san comes out of the hut while stumbling.

Seeing her like that, I outstretch my hand towards her to offer her support.

[Mama Hatsune] “Ah..... Thank you, Yamato-kun.”

[Yamato] “Are you alright!?”

[Mama Hatsune] “Yes..... This sort of thing always happens, so..... I’m alright.”

Although her face is covered in sweat, Hatsune-san manages to put up her usual smile, leaning on my arm.

[Mama Hatsune] “What do you think, Yamato-kun? Seeing me like that..... I wonder..... Do you think that I am filthy?”

[Yamato] “D, don’t be ridiculous!!”

Certainly, being surrounded like that by the penises of multiple men, and serving them so desperately with her hands and mouth was quite a shock for me.

However, seeing her sperm-covered face and body trembling in agony, one could not feel nothing else but compassion towards her.

It is for this reason, and because those young Exorcists seemed to be much like myself.

Up till now in my career as an Exorcist, because of my inexperience we were faced with a desperate crisis not once or twice.

But at each of those times, I was able to borrow ‘Yamato’s power’ so that we were able to escape just in the nick of time.

Barely surviving, there was always the possibility that these young Exorcists could have been overtaken by demons due to severe exhaustion.

Same goes for Mikoto and Takeru, if you screw something up while facing against demons, losing your life could be the least of your worries.

In fact, Takeru is supposed to suffer the aftereffects ‘insect possession’ after being taken prisoner by the demons.

We were aware that this was that kind of job.

And Hatsune-san took it all upon herself to do this job, as to shield everyone else from doing it.

[Yamato] "I don't think at all that you are filthy. I think that you made me realized..... just how hard an Exorcist job can really be."

To my words, Hatsune-san showed me a smile full of relief.

[Mama Hatsune] "I see..... I'm glad. I feel relieved hearing you say that, Yamato-kun..... Ufufu."

[Yamato] "Hatsune-san....."

[Mama Hatsune] ".....Hm? What is it, Yamato-kun?"

[Yamato] "Hatsune-san..... Why? Why are you trying so hard to do this?"

The purpose of this tour was so I could understand, even if just a little, the kind of work that Hatsune-san does.

Honestly. Hatsune-san is stronger than Mikoto, Takeru and I can ever hope to be.

Even if purified Exorcists were to attack her as a whole group, they wouldn't stand a chance against her.

A moment ago Hatsune-san called this act 'disgusting'.

She was doing this with such pride, so whatever this may have looked like in the eyes of another, I fully understood that.

I will even dare to say that Hatsune-san could probably handled that matter in a totally different way, without having to extract all that semen from these men.

Why, Hatsune-san?

I fully understood that her role in all of this was important, but for some strange reason there was that feeling of restlessness in the back of my chest that I couldn't quite get rid off.

[Yamato] "You say that it's because of your Exorcist job, but is there some other motive?"

To my question, Hatsune-san sigh deeply and looked towards the sky.

[Mama Hatsune] "Let's see~. That's probably because..... I can do what other people cannot?"

[Mama Hatsune] "Surely, this is one twisted way of thinking..... Ufuu."

Hatsune-san said so in a tone as if she was bragging unobtrusively.

Certainly, not everyone would be able to pull off spells like that. Even I know that.

[Yamato] "B..... But....."

[Mama Hatsune] "And besides..... When I think that my husband is still fighting out there somewhere..... Doesn't it make you want to give it your best, too?"

[Yamato] "Husband..... Husband? Mikoto and Takeru's father?"

The absence of the father. Coming to this Ayagami village and staying at Mikoto's house, the faint smell of incense could be felt.

But, it's aroma couldn't be erased that easily.

[Mama Hatsune] "It's about one of his Exorcist jobs..... He's been missing since then."

[Yamato] "Eh....."

Contrary to her own words, there's been a smile full of compassion on Hatsune-san's face.

[Mama Hatsune] "It surely must be a tough fight~. Must be something really out of this world....."

[Mama Hatsune] "Ufufu. That is why..... I'm also going to give it my all..... You know?"

Hatsune-san cocks her head a little while asking herself.

[Yamato] “.....”

I'm at a loss for words. Hatsune-san's true motives are just too immeasurable for me to understand.

[Mama Hatsune] “Now then..... Yamato-kun, will you be able to go back on your own?”

[Yamato] “Y, Yes. Hatsune-san, are you going somewhere?”

[Mama Hatsune] “I was thinking of going to the open-air bath before going home.....”

[Mama Hatsune] “I can't just go back home while having this naughty boys odor still on me, can I?”

[Mama Hatsune] “Want to go together with me..... Yamato-kun? Ufu.”

Hatsune-san laughs lightly while smiling.

[Yamato] “No..... I need to go back. After all, I went out during lesson.....”

[Mama Hatsune] “That's right..... You have certainly taken your time. If you won't go back quickly, I wonder if they are going to get mad at you?”

Hatsune-san pretends to be shooing me away with her hand while nodding, gracefully turning and walking away.

I see Hatsune-san off, and then started walking back towards the house.

[Yamato] “So Mikoto and Takeru's father is missing.....”

Both of them, they never spoke about their parents in front of me.

My mother was executed as 'traitor' by the demons, and my father also happened to die at that time.

That is why, I thought that even though they orphaned me, they still cared deeply about me.

But, it looks like it wasn't just it.

[Yamato] “Being an Exorcist..... Sure is dangerous job~.”

I can't believe that up until now I've been neglecting this danger with my sort of 'carefree' mood.

I believe that we've been abusing our luck all this time.

However, saying that an Exorcist job was all about getting lucky, you couldn't even say that as a compliment.

Actually, even now.....

[Yamato] “I'm loooooooooooooooooooooost!!!”

Perhaps it happened because I was walking while thinking, but I ended up in a place totally unfamiliar to me.

[Yamato] “Well~..... I'm going to come out somewhere familiar eventually.”

But, this was the basic action of what you would call 'getting lost'. You walk in dizziness, getting even more lost.

... ..

... ..

...

[Yamato] “Uwaaaaaan~. In addition, I no longer know where am I~.”

I couldn't even hear anyone, there was no one around.

To such idiot like me, a familiar voice spoke from behind.

[Yuu] "Oh my..... Yamato-san?"

[Yamato] "Yu, Yuu-chan!!"

Just as I was about to fully admit that I got lost, Yuu-chan came around, probably coming from her own house.

[Yamato] "You are really saving me out here, Yuu-chan."

[Yuu] "Ufufu. The roads to these villages are really similar, right?"

[Yamato] "Yeah, that and..... Thanks for saving me yesterday."

That's because after I was beaten by Mikoto and floated unconscious in the hot spring, she was the one who saved me.

[Yuu] "Ahh, no..... That was no big deal....."

[Yuu] "At that moment, I was afraid that Yamato-san might become all soggy if left alone, and..... Umm....."

Remembering this whole situation, Yuu-chan blushes slightly and turns her gaze awkwardly towards the ground.

She saw it.

She definitely saw it.

My penis.

But, let's not pursue that matter.

True, I wanted to savor the cute image of confused Yuu-chan for as long as I could, but let me just cherish the atmosphere of this moment.

[Yamato] "Are you wandering alone, Yuu-chan?"

[Yuu] "N, no..... I have a familiar with me."

A 'Familiar' that Yuu-chan is talking about, is the thing that Exorcists sometimes use.

A lower class demon which has no free will and cannot move on their own, dwelling in pseudo-bodies made out of paper.

In this world, a soul and body exists as one, but using force can allow to break that set.

[Yamato] "Using familiars at such young age! Yuu-chan, what an amazing Exorcist you are....."

By the way, I myself cannot use something like a familiar.

Incidentally, Mikoto can't use one either.

But it seems that Takeru can use it a little.

[Yuu] "Auuu..... No, not at all. Something like that is completely useless to an Exorcist."

[Yuu] "I'm always making mistakes and I'm only causing trouble to the other Exorcists....."

[Yamato] "That a real humility out there....."

[Yuu] "Auuuuuu..... This isn't about humility at all, I'm really bad."

[Yuu] "I..... I am only good when it comes to spiritual possession and being a medium, everything else is just of no use to me....."

Spiritual possession. It an act of using force and allowing yourself to be possessed by the spirits of animals.

It's a very convenient art, allowing the user to use some of the animal's traits and abilities.

[Yamato] "Spiritual possession is totally awesome!! Can you possess strong animals like tigers or bulls?"

[Yuu] "Auuu..... Such violent spirits are too much..... I like quiet spirits like cats or rabbits, or hamsters."

[Yamato] ".....Hamster~"

Even though she can use spiritual possession, such thing as battle seems completely unsuitable for a gentle person like Yuu-chan.

If that really is the case, then she really is useless as an Exorcist.

How could rabbits and hamsters compete against the demons, that was completely beyond me.

[Yamato] "Now, now..... Hamsters are very cute. I bet that Yuu-chan possessing a hamster spirit would be even cuter."

For the time being, I praised for being cute.

[Yuu] "N, no way..... Please stop making fun of it, it really is useless."

Suddenly, cat ears rose on top of Yuu-chan's head. And from above her butt, a cat tail extended.

[Yuu] "It is something like that..... Meow, meow."

[Yamato] "Uhaa, so cute!"

I say the words that I always wanted to say.

This cute appearance of cat-eared beautiful girl.

It all looked like some kind of magic at works here.

[Yuu] "Perhaps it's because of my current spiritual constitution, but right now I don't have any spiritual power at all. And I was only recently able to finally control a familiar."

[Yamato] "But you are just too cute!! Seriously, this is good..... Really good!!"

Although not suited for combat, this ability is the strongest in a completely different meaning.

[Yuu] "Please don't stare at me like that..... It's embarrassing."

In the next moment cat ears retracted themselves.

It looked like the technique was released.

[Yamato] "Aahh..... It was so cute, what a waste!!"

[Yuu] "Ufufu."

While walking the country road, Yuu-chan suddenly looks up to the sky, and threw a sigh from her adorable little lips.

[Yuu] "I wonder if I can become stronger."

[Yamato] "Those cat ears are powerful enough, at least I think so....."

It surely is powerful against me, but I wonder if it is the same for demons.

[Yuu] "For the village of Ayagami, and for the sake of all people suffering because of demons. And also..... for the sake of my dear Brother..... I want to quickly become a respectable Exorcist."

[Yamato] "For your Brother? Come to think of it, I guess Master mentioned something like that."

I only vaguely heard about it, but Yuu-chan's brother is apparently a great person.

[Yamato] "Is he a chief?"

[Yuu] "Awawawa~. He is not the chief, but the head of the family."

[Yamato] "But, isn't Yuu-chan's Brother a little bit too young to be the head of the family?"

[Yuu] "Eeh....."

[Yamato] "And he is something like that? That's amazing."

The carefree smile on Yuu-chan's face fades only for a moment.

[Yuu] "Last year, our parents were killed by the demons during one of their Exorcist jobs..... That's how Brother became the head of the family."

[Yuu] "But..... It's not only that."

[Yuu] "Most of the families of Ayagami village are those of the Exorcists."

[Yuu] "Among them, the Shihouin family was leading those families as their head for generations."

[Yamato] "Chief of the Exorcists!?"

[Yuu] ".....Yes. There is also a fact that there is no one better to suit the role, with Brother serving as the head of the Shihouin family, I had to become the chief Exorcist of the Ayagami village."

[Yuu] "The chief and of top of that the head of the family. To me this is nothing more than a 'Stay at home' kind of thing; for Exorcist, this is barely a title without any meaning."

[Yuu] "Also for my relatives, Brother is a genius. In this village, there is no other Exorcist quite like my Brother."

[Yuu] "Still, being in the position of 'The head of the family' must be pushing a lot of pressure on him."

[Yuu] "From the moment that he become the head..... Brother no longer puts a smile on his face."

The pressure of position. This was another thing that was utterly unknown to me.

[Yamato] "I see. So Yuu-chan wants to help her Brother out like that, huh?"

[Yuu] ".....Yes. I want to be of some use to my Brother in whatever way I can....."

[Yuu] "I have to train more..... So I can become an respectable Exorcist. Like this, I will be able to help my Brother out."

Kuuuh~, what a strong affection for her Brother.

What a great gentleness.

What a great bravery.

And incidentally, what a great cuteness!

I want to have such wonderful little sister like that!!

[Yamato] "Yuu-chan..... Don't you think that you're doing more than enough to help your Brother?"

[Yuu] "Eh....."

Yuu-chan looks at my face in puzzlement.

[Yamato] "You don't have to worry so much for that Brother of yours. These feelings..... I am sure that they are reaching to him alright."

[Yamato] "Sure, power is important for an Exorcist, but I think there is more to it than that."

[Yamato] "Although..... I'm not very good with words....."

[Yamato] "Those gentle feelings of Yuu-chan, they will surely support your Brother."

[Yamato] "At least..... That's what I think....."

[Yuu] ".....Yamato.....-san....."

Yuu-chan opens her mouth slightly and almost instantly returns to her normal expression, slightly cocking her head.

[Yuu] "Hearing you say this..... I'm happy. Thank you, Yamato-san."

[Yamato] "Aah~, I envy your Brother after all!! I want to have a little sister that worries about me, too!!"

[Yuu] "Ufufu. Are you sure that worrying is such a good thing?"

[Yuu] "So..... Would it be alright.....If I would worry about you a little from time to time?"

[Yamato] "Eh, seriously?!"

Yuu-chan laughs and raise her head, directing towards me a carefree smile.

[Yuu] "It is because I want Yamato-san to..... Come back safely form 'Rengendou'?"

[Yamato] "Uwah! If Yuu-chan says that, I feel a sudden burst of luck!"

[Yamato] "I'll do it! I'm definitely gonna do it!!"

[Yuu] "Ufufufufu."

Yuu-chan's adorable chuckle sounded so comfortably.

... ..

... ..

...

As soon as landscape has begun to be slightly more familiar, the familiar house came into our view.

[Yamato] "Thanks..... you really helped me out. I wanted to say this to you since yesterday."

[Yuu] "Me, me too..... I had a lot of fun talking to you."

[Yuu] "Well then..... This is where I must go..... Give it your best during 'Rengendou', Yamato-san."

Yuu-chan says coyly, then bows her cute small head and trotted away.

I see her off until her small back vanishes from my sight, standing in one place.

[Yamato] "Haa..... She's really cute~!"

Having a huge grin on my face, I went back to the house.

SCENE 10

Yesterday and today. I had spent all that time very wisely.

'The Black Cat Exorcist Agency Branch Office' I have seen literature that cannot be seen any other way, but these documents.....

No. I'm sure that here lies knowledge that couldn't even be obtained by going to the headquarters of the agency.

It is precisely because it belongs to the 'Wandering Exorcist' like Yayoi-san, that you couldn't find it in any kind of school or organisation.

The development condition of the demons, their ecology. Appropriate strategy when facing specific kinds of demons.

And in the long history of Exorcist operations, those handed down information been constantly improved.

The sheer volume of information was tremendous, but my combat knowledge lacked experience, so my brain began at once absorbing information like a sponge absorbs water.

But.....That huge amount of literature would soon be finished.

Even I was feeling regret just thinking about it.

Every time I would say that, Sister's face frowned.

[Mikoto] "Guuuuuuuuuuuuuuohhhhhh~. My eyes~. My eyes~."

From the looks of it, her studies weren't going all that well.

[Yayoi] "Hey now, Mikoto..... Stop whining. Pull yourself together and start studying properly."

[Mikoto] "Auu~. Buut, buut..... My eyes, my head....."

For the last two days, Sister tried to learn by heart all of astral projection arts within very short time.

Having reached her limit of study and attention span, her soul was now floating almost 2 centimeters above from her open mouth.

Such syndromes of 'burning-out' are a phenomenon occurring in the relatively simple circles of society.

Of course..... While being like that, an Exorcist was good-for-nothing.

[Yayoi] "I guess it cannot be helped. We only covered the necessary minimal things, so you will have to study the rest on your own."

[Mikoto] ".....Yes."

Yayoi-san handles a fat pile of documents to Sister, and she accepted them with a sulk.

There were approximately ten of them.

[Mikoto] "Auuu..... So, so much....."

[Mikoto] That's right! Yamato, what happened to Yamato!!"

[Mikoto] "He said he was going to toilet, but he still hasn't come back! Could it be that he is slacking off somewhere?"

I took a quick glance at the clock hanging on a wall. It was two hours since Tachibana-kun left.

But it seems that Sister's sense of time have already been paralyzed.

Because this painful studying may have been too long, maybe Tachibana-kun didn't realized that he was absent for two hours.

If he did, then the anger will be that more violent.

Anyway..... It's true that he was taking a rather long toilet break.

But if you look at Yayoi-san she seemed to not even care, maybe having a clue to his whereabouts.

[Yayoi] "Easy, Mikoto..... Just cut Yamato some slack and focus on your own studies."

[Mikoto] "Uguu. But Yamato is..... Yamato is....."

Not having her fellow 'Studying Buddy' by her side, Sister must have felt lonely.

[Yamato] "I'm back....."

Having really good sense of timing, it looked like Tachibana-kun came back.

[Mikoto] "Yamato, where have you been up until now!! Don't tell me, you were slacking off somewhere, weren't you?"

[Yamato] "S, sorry....."

[Mikoto] "You, are you even studying at all? Do you seriously want to become that full-fledged Exorcist or not?"

Sister used Tachibana-kun as a kind of 'Studying Breather'.

[Mikoto] "Geez..... No spine at all. That is why you are going to have phimosis forever!"

You seem to be 'slacking' as well.

[Yamato] "Eeeeeeeeeehhhhhhhh!! This is totally irrelevant!?"

[Yamato] "Same to you, have you been studying properly!? Or is it that all nutrition goes to your tits instead of your brain, you breast idiot?"

[Mikoto] "What did you say~!!"

Whether Yayoi-san wanted to have a break or not, she had to stop those two, or else we would witness a non-stop flow of comebacks.

The quarrel of those two serving as the BGM, I took one of the books from a large pile of the ancient documents and run my gaze through it.

... ..

... ..

...

Having soon finished reading through all of the manuscripts, I decided to re-read all of the previous books regarding Exorcist operations.

I was examining myself.

This is the case of 'Bug possession'.

'Bug possession' refers to a human who has been violated by the demons and turned into a tool used to be filled with semen.

In the past, I was taken captive by the demons and I have experienced 'Bug possession' by their hands.

I was raped for what seemed like forever, finally becoming the demon's plaything deeply engraved with the odor of their dirty fluids.

Occasionally, they would hit me, frustrated by me not wanting to have sex with them.

These men were so desperate.

Their hard penises suddenly crowded all around me and pierced my insides, pushing until I could think of nothing else then wanting them to stir up my womb more and more.

Wildly.

Violently.

Driven purely by lust.

I want you to rape me.

I want you to drown me in the sea of muddy white semen, to choke me with it's stinky odor.

Such things become hot and excruciating, spreading all over my body.

Right now, the protective charms are attached to my crotch, preventing the effects of the curse from spreading, by their power is not absolute.

Their effect is not only soothing, as if in amulets.

A 'Stigma of Bugs' that will not disappear. I wonder if there is a way in which I could counter it somehow?

I have been examining possible options one after another, but the only things I've been able to found were dry facts.

The way how to eliminate 'Bug possession'.....

I wasn't able to find it up until now.

SCENE 11

Currently the sun sets in the west of the mountains. With the advent of darkness, temperature begins to drop sharply.

It's influence quickly spreads indoors, as the cold, chilly air spreads across the room through the tatami mats.

My feet became cold recently.

But I didn't even concerned myself with such level of coldness, continuing to turn the ancient manuscripts absent-mindedly.

Tomorrow is the day of practical exam of 'Rendengou'.

Being tired and drained of energy from all the studying, Sister and Tachibana-kun decided to turn in for the night early.

As for me, I couldn't bring myself to sleep, hence the looking up through the manuscripts.

Where can I find some kind of a clue?

A clue regarding lifting of that damn 'curse'?

Or maybe there was some kind of a way to weaken it's effects?

I was looking for such a thing desperately.

[Takeru] "Fuu..... As I thought, it's no good....."

'Bug Stigma' is stronger then I thought.

No..... What was strong, was the existence of such demon.

To fight the demons off, humans had to create a great number of Exorcisms.

But the scales are still against us humans, as the demons are still as strong and horrible as ever.

[Takeru] "Haa~. Up till now, we've been only fighting small and weak opponents..... It seems that we were lucky up to this point."

I let out a deep sigh.

Only resulting to read the literature, it was truly an act of desperation.

[Takeru] "From now on..... I'll have to live with it....."

In that moment.

Something began to throb strongly in my lower abdomen.

[Takeru] ".....Ah.....Uh....."

A high-pitched voice sounded in a dim room.

[Takeru] (My body..... Feels hot)

My skin moist by the beads of sweat, the throbbing became stronger.

[Takeru] (My hips..... are aching)

Inside of my whole body a tingling sensation is raging, and my head is shaking.

[Takeru] "No..... This, I cannot lose to this sensation....."

With my left hand, I was firmly taking hold of my right hand, which was about to reach right in between my legs.

[Takeru] "I..... am..... Haa..... Not, a weak..... human....."

I try hard to oppose my instincts that want to become indecent.

[Takeru] ".....Nh!!"

But contrary to my will, my impatient hips begin to twist on their own.

Leak.....

[Takeru] "Nah.....!"

I moan uncontrollably, becoming red with shame.

[Takeru] "Disgusting..... How could I, such a voice....."

If someone was to hear me..... Just the thought of that sets my feeling of shame ablaze.

[Takeru] "Everyone are here..... Ahh, haa..... I..... I..... T, That's right..... The manuscripts..... Nkuu."

I stretch my hand in the direction of manuscripts, which had fallen on the floor.

[Takeru] "Ah, aaaaaaahhh....."

I want to pick them up, but I have no strength to do so.

[Takeru] "I need to..... Investigate them....."

In order not to be like this, I've been browsing through ancient texts all this time. And even though at the beginning it showed some promise, now I was desperate.

[Takeru] ".....The core..... The core, of my body....."

My breathing became noisy.

My body, my head, my pussy, they were all hot.

Being engulfed in those hot flames, I thought of the most important person to me.

[Takeru] "..... Aaahhh, Sis!"

At times like these, it was her smile only that was able to save me.

No matter how hard the times would be, or how painful, Sis would never abandon me.

[Takeru] "Sis, Sis..... Help me, Sis!"

Even though I was calling for help, my hands would wonder beneath my waist on their own.

[Takeru] "No! That's wrong..... I don't want to be like that..... Aaahhh. Aah, aaahhh... Naah."

My voice was trembling. I wanted to touch Sis.

I wanted her to pat my head gently with her hand.

I wanted to be caressed strongly by her.

No.

What I really wanted, was to be patted in the head, stroked gently in the back with her hand.....

[Takeru] (No, that's not enough)

More.

I want more!

[Takeru] (Lick me, bite me, leave a scar on me, devour me..... My toes, my hair, my asshole, my ears, my nose, my eyes, and my navel too!)

Slowly moving my hand.

[Takeru] (Sis..... Aaahhh, Sis!)

I begin to touch my crotch through my clothes.

[Takeru] "..... Uh..... Fuu..... Uuh... Kuuuh....."

I try to endure it by biting my lips, but a sweet voice leaks out through the small gap in them.

[Takeru] (Sis..... I, I am.....)

The fabric of my erotic underwear had already become soaked and faint.

[Takeru] "Haa..... Aaahhhnn~!"

Indecent voice leaked through my nose.

[Takeru] (More..... More, I, mess me up some more.....)

Such indirect stimulation was not enough for me.

While being completely unaware of it, I already took my pants off from one foot.

[Takeru] "Haa... Haaa... Haa"

My head feels blurred.

[Takeru] ".....My face, feels hot....."

A lonely tear drips from my eye, dully sliding down my face.

[Takeru] "My..... Body is..... Hot....."

Twisting and moving my hips, I spread open my legs.

[Takeru] "Nhh..... Fuuuh..... Haaah....."

I extended my left hand towards my dripping wet pussy.

[Takeru] "My pussy is..... Afuu. Aah, aaahhh..... so frustrating....."

But deep down inside, I want some hard and hot things to just ravage me and mess me up so badly.

...Leak.

[Takeru] ".....Aaahhn."

My fingers touch heavily swollen place.

It feels so good that I bend my face backwards.

Leak, pour, slide!

[Takeru] "Nh, fuuh, nhh, nhh, nhh, nnnhhh!"

Sweet numbness beging to run through the core of my head.

[Takeru] (Aaahhh, no.....)

I seem to have some remains of reason left in me.

Smack..... Slide, slide, smack!

[Takeru] "Ah..... Nh, hafuu, kufuuh!"

The very last whispers of reason were soon erased by that rubbing movement at the center of my swollen cherry bud.

Guuush!

[Takeru] "Naah!"

With only this much, I already feel as if my waist was about to float lightly.

[Takeru] "..... Ah, aaah....."

Tears began to flow. I want them to stop, even though I face so much despair.

[Takeru] "Why, why did I..... Why did I have to become such obscene woman....."

No matter how strong my will and reason were, I still couldn't hold back these attacks.

[Takeru] "Why....."

[Mama Hatsune] "This is..... not your fault at all, Take-chan."

[Takeru] "M... Mother!?"

For how long has she been here?

Mother suddenly hugged me from behind.

[Takeru] Don't tell me..... You saw everything....."

The amount of shame being too great, my cheeks went pale in an instant.

[Takeru] "I..... I, I....."

[Mama Hatsune] "Take-chan....."

While hugging my trembling and rattling body, Mother gently put her hand on top of my underwear.

[Takeru] "Hiyah!"

Since that pleasure was totally unexpected, I let out a huge gasp.

[Mama Hatsune] "Take-chan, you are always so serious and you always work so hard..... Mom knows it all."

Mother's gentle hand lifted my breast from below.

[Takeru] "Mother....."

Why?

This painful tingling disappeared as soon as Mother touched me there.

[Mama Hatsune] "But you know..... You must never forget."

Gently massaging my breast, Mother was emanating such mercy, that even such perverted woman as myself began to calm down.

[Mama Hatsune] "You know, people are not creatures that would get very far by blaming themselves constantly."

Placing her hand on top of my underwear, she stroked me gently.

[Takeru] "Haaaahh..... Ah, fuuaahh."

From being touched by her fingers, it was passed to my own hand, and the pleasure got transmitted further to my secret place.

It was a total mystery on how such an impure act could give you so much pleasure.

[Takeru] "Mo...ther..... I, I....."

Kneading my nipples with my hand, Mother rubbed my breast with nothing more but a gentle movements.

Sweet numbness spreads like a dust from my breast just below my waist, causing my secret place to overflow with love juices.

[Mama Hatsune] "Sometimes, the only thing you need to do is to just forgive yourself."

Mother's warm voice whispered gently into my ear.

[Mama Hatsune] "If Take-chan can't find it in herself to forgive yourself, then who do you think is supposed to do it?"

[Takeru] "B, but my..... My body is so..... Obscene..... Uh, fuu, nfuuuh~"

All this time, fingers don't stop on moving.

If you touch those dirty places yourself, the more will your body become hot.

But where Mother was touching me, that place was turning into blissful dust.

[Takeru] "Aaahhh, Mother..... Good, it feels so... so good....."

[Mama Hatsune] "I see..... I'm glad."

Mother smiled at me warmly and gently.

It was that kind of a smile that she would always show me from my childhood years whenever I was giving my best at doing something.

[Mama Hatsune] "I am your mother after all, Take-chan. Good things and sad things..... Don't hold back and talk to me about them. I will always listen."

Mother patted my head, and stroked my breast.

[Takeru] "Fuah! Aah, Haaah..... Aaah, auuuh, Mother....."

As if I was little again, the warmth of Mothers breast was spoiling me.

[Takeru] (But, I..... Looking embarrassing like that.....)

And even though asking for help in masturbation was bringing me so much shame, it was not directed at Mother at all.

Instead, I had rubbed my back right against Mother's breasts.

[Mama Hatsune] "That's right~, Take-chan is such a good girl..... You are my pride and joy."

Mother's long hair has tangled with my own.

The aroma of shampoo on them was softly similar to that fragrance of freshly made laundry.

[Takeru] (Aaaahhhh..... This is Mother's scent.....)

Without me even noticing, tears began to flow from my eyes.

Right now, my heart and mind were completely at peace.

Rub.....

[Takeru] "Nuuuh....."

A faint pant can be heard in the dim room.

Smack..... Rub, smack, smack.....

[Takeru] "Fuuaaah..... Afuuh, haaa....."

I had also shown this sight to Sis, the true me.

This weak, miserable and obscene crybaby of me.

[Mama Hatsune] "Good girl, Take-chan. That's right..... Can you feel it out there?"

[Takeru] "Yes..... Yes, Mother. Here..... It feels good..... Very..... Very good....."

The filthy and dirty sounds continued to flow from under my nether lips covered by a black underwear.

Softly, I turned the little wrinkles surrounding them aside, kneading and plucking them with my fingers.

[Takeru] "Fuuaaah..... Aah, nnh, nkuu! Nuuuh, Fuuuh..... Kuhaa!!"

Although this pleasure was weak, it could soothe the tingling accumulated in my waist bit by bit.

[Mama Hatsune] "Well? This place where Take-chan feels good..... Will you tell your Mom some more about it?"

Mother tickles me with her hair, my chest feel hot.

[Takeru] "T, this is..... This is....."

I stopped to think for a moment, letting to be folded by Mother's finger.

Rub, rubb, rub, rub, rub, rub.

[Takeru] "Hii, aaahhh, nfuuuuhh!"

Her fingers have stroked me right at the back of my pussy.

[Takeru] "Here, is..... G, good, so good..... Nhn, nhh! Haa, haa, haa..... Nnnhhnnnn..... Naaahn!"

Tickling the clitoris with her finger, and tracing back and forth my wrinkles with her nail.

Huge droplets of love juices leaked from my nether lips, staining the tatami mats and forming a small pond right under my butt.

[Takeru] " Ah! Ah! I'm, I'm so sorry, Mother..... Nnnh!"

[Mama Hatsune] "My, oh my..... But there is no need for you to apologize."

Mother's huge breasts were firmly pressed against my back.

[Mama Hatsune] "Girls are, when feeling really good, unable to stop their 'honey' from flowing."

Through the kimono, I can clearly feel Mother's heartbeat.

If I wanted to apologize to her with all of me, Mother would always forgive me.

[Mama Hatsune] "So, Take-chan did nothing wrong. It is something obvious to do. Something completely natural to do."

Mother would always forgive me, and always accept me.

[Takeru] ".....Y...Yes....."

Me too, please forgive me.

[Takeru] (This is, Mother's 'power'.....)

What warm, and gentle power that is.

Between women, as well as between parent and child, this kind of sexual activity..... There was nothing dirty or improper about it.

Instead, it heals.

I am healed.

Endearing, heartwarming skin-to-skin contact.

[Takeru] "Aaahhh..... I'm melting"

An attack that defiled me, every monstrous memory, every obscenity, all those things are wrapped in the Mother's love and melts, cleanse.

[Takeru] "Good..... It feels so good. Mother..... Mother....."

Entranced and kneading my nipples with my hands, I pushed my pussy open with my fingers.

I thrilled and my spine is trembling, but I don't feel unpleasant at all.

[Takeru] "Haa~, haa~, haa~. At this rate..... I'm going to melt....."

My skin is flushed, with beads of sweat forming on it.

It glitters brightly in the darkness of the room, but is lacking it's usual dirty smell.

It was a fresh smell, much like young leaves getting wet in the rain.

[Takeru] "Aaaahhhh, ahn! Fuu, nuuh, fuh..... Nuuuuhh!"

Finger movements are gradually getting faster.

Suddenly crushing my pointed nipple, sinking her nail in it, pulling on it so strongly that even the shape is changing.

Mother watches over me gently all this time, helping me here and there.

[Takeru] "Haa, haa, naah! Aahn, uh..... I'm glad..... I am..... so glad....."

I wriggle about, and Mother's long hair brush against my shoulder.

[Takeru] "For real..... Auh, fuuh, fuu..... All, all this time..... I was so anxious!"

I was afraid.

I could not sleep at night.

Instead of sleeping, I devoted myself to both work and studying.

I just couldn't bring myself to show my Sister and the others that violated side of me..... My true side.

[Takeru] "I was afraid.....! So much, uuh..... So scared!!"

I wanted to share it with somebody..... But my pride got in the way and in the end I couldn't do anything.

Alone..... Even if I did, I would always be alone.....

[Takeru] "I was so lonely! It was so hard..... I was so sad!!"

I can feel fingers going into my pussy, churning it while making sloppy sounds.

[Mama Hatsune] "Yes..... Yes..... I understand. I know."

While listening to my Mother's gentle voice, I shout out all those things that I couldn't bring myself to tell to anyone.

[Takeru] "Mother, Mother!!"

My climax was coming.

[Takeru] "This....."

Finger movements do not stop.

[Takeru] "This body, I really, really..... I hate iiiittttt!!!"

Finger tips are in close contact with the back of my pussy.

[Takeru] "Hii..... Nkuuuuuuhhhhhh!!!!"

My big hips throb and bounce.

My vision is dyed in solid white, dark world around me is filled with light.

[Takeru] (Aah..... Ah..... Aaaahhhh.....)

The dark desire in me is being purified by the hands of my Mother.

[Takeru] (My, body..... is..... becoming..... pure)

My uterus is throbbing... and shrinking.

My hot breast is becoming soft, melting away under the touch.

[Takeru] ".....Fuu, nfuuh..... Ha, aaah....."

It's not only because of masturbation.

Being purified by the power of my Mother, both my body and my soul are relaxing.

I am fulfilled.

Therefore, this fatigue brings satisfaction.

[Takeru] "Mo..... ther....."

My eyelids are getting heavy, slowly beginning to close.

[Mama Hatsune] "It's alright, Take-chan....."

Mother hugs me.

[Mama Hatsune] "Mom will take care of everything else."

[Takeru] "B..... But....."

[Mama Hatsune] "Good girl..... It's time to go to sleep..... Okay?"

[Takeru] "..... Yes."

As if being guided by her voice, I close my eyes.

I am sure.....

[Takeru] (Surely, tonight, I will have a good sleep.....)

Having rested my head on Mother's lap, I am stroked gently.

[Mama Hatsune] "Good night..... Take-chan."

Bathed in this very peaceful feeling..... I fell asleep.

SCENE 12

The next morning. Looking up, the sky was clear and serene.

Fragrant aroma of rice spreads through the sunlit village, where red dragonflies are frolicking back and forth through the air.

[Mikoto] "Today is the day of Final Exam! Alright, I'm gonna give it my best shot!"

The torture of studying was finally over. Dressed in our usual Black Cat Brigade uniforms, Yamato and I looked at the same time at the fine autumn sky.

[Yamato] "Right! Now is the time to show them what we really got!"

My drowsiness was gone. Because of the upcoming Exam, both my mental and physical strengths were fully restored.

[Mikoto] "Are you ready too, Takeru?"

[Takeru] "Yes..... I have done all of the necessary preparation. I think I'm okay."

Takeru showed us a bunch of talismans in her hands. On them, there is a pattern written that I'm totally unfamiliar with.

Studying all this time until yesterday, Takeru seemed to have memorized far more information than us.

In addition to charms, she also had a bottle with something strange inside of it concealed in the folds of her uniform.

[Mikoto] "Umu, umu. As dependable as ever."

[Yamato] "Mikoto..... Are you sure you're okay?"

In response, I showed him a small, cat-shaped toy.

It was modeled after [Black Cat Extermination Brigade Branch Office] chief Yoru, and inside of it, an Exorcism Sword [Raikou] was sealed.

[Yamato] "Good, good."

Yamato nodded his head in approval, holding in his hand a long, deep-purple bag.

Inside of that bag was [Murakumo], a magical wooden sword. It was a sword that originally belonged to Yamato's late father.

They were all set to go.

[Mama Hatsune] "Well then, everyone..... I wish you good luck. Don't let your guard down."

[Mikoto] "Yes, Mama."

[Mama Hatsune] "Yamato-kun..... I leave Miko-chan and Take-chan in your care."

[Yamato] "Yes. Just leave it to me."

[Mikoto] "Mama, shouldn't it be the other way around? We should be taking care of Yamato, since we are so dependable and all."

[Mama Hatsune] "Ufufu. Well..... With the power of your three combined, you will surely pass the exam."

[Mama Hatsune] "I'll be waiting for your good results."

[Yayoi] "Oh well..... Just stay calm. The Exorcists of Ayagami Village are all skilled in art of summoning spirits."

[Yayoi] "Not only familiars, but there will be some demons out there for sure. Don't let your guard down."

When the three of us nods at the same time, we said goodbye to Mama and Yayoi-san and set off.

... ..

... ..

...

The residence of the Shihouin family. The clan that has been ruling the Ayagami Village Exorcists for generations.

I don't know the details, but lately, after both of their parents passed away, the eldest son Tatsuki-san took over the family.

Tatsuki-san is Yuu-chan's elder brother.

He was rumored to be an genius Exorcist, but I had no idea whether it was true or not.

I guess it must have been to some extent..... or was it?

[Yamato] "Ooh~, a house with an atmosphere. When you say Exorcist home, it surely must be something like this."

[Mikoto] "I'm so sorry..... For our house to be so plain....."

But Yamato was right. The Shihouin house without a doubt could have been used to shoot historical dramas in it.

[Yamato] "Hee~, hee~, hee~"

[Mikoto] "Stop looking around so much! That's embarrassing."

[Tatsuki] "I'm sorry for the wait. Please, make yourself comfortable."

A male clad in kimono gracefully came into the room.

The head of Ayagami Village Exorcists. Shihouin Tatsuki-san.

Quiet but also imposing presence and behavior, he truly had a style appropriate of Chief of all Exorcists.

And although he was still young, you could feel the air of dignity around him.

[Tatsuki] "It's been a while, Shiratori Mikoto-san, Takeru-san. The two of you certainly have matured into fine beauties..... If I'm not mistaken."

[Takeru] "It's been a while."

[Mikoto] "No way..... Fine beauties! Ohohohoho."

[Yamato] "Such politeness....."

While both Takeru and myself have bowed our heads at the same time, Tatsuki-san turned his gaze towards Yamato.

[Tatsuki] "You must be Tachibana Yamato-kun. On this occasion, I am the one in charge of your [Rengendou] ceremony, Shihouin Tatsuki..... I'm looking forward to working with you."

[Yamato] "P. please take good care of me."

Tatsuki-san smiled thinly while watching Yamato.

[Tatsuki] "Although it may be a little fast, I would like to talk with you about the procedure of [Rengendou]."

[Tatsuki] "The three of you will be given a talisman each. Your task will be to climb Kihime mountain."

[Yamato] "Kihime mountain?"

[Tatsuki] "It is a small mountain at the back of Ayagami Village. Because there is a shrine dedicated to the [Rengendou] in the vicinity of the mountain's summit, you will have to make an offerings of those charms there."

[Yamato] "That's all?"

[Tatsuki] "Of course, this isn't just the mountain climbing. It is the mountain of Ayagami Village Exorcists, so it will test you."

[Yamato] "I understand..... So we need to fight other Exorcists!"

[Tatsuki] "That's correct. Of course, please be prepared, because this won't be easy."

[Mikoto] "Of course..... right!!"

I look at Yamato and Takeru. I can see that there is the same light of determination in their eyes as in my own, so I nodded in agreement.

[Yamato] "Aah! There's no way that I'm going to lose!!"

[Tatsuki] "Then let me handle you the charms..... Yuu!"

[Yuu] "Yes, Brother....."

Responding to Tatsuki-san's voice, Yuu-chan came from around the back. There was a tray in her hands, and three charms have been placed on top of it.

[Yamato] (Yuu-chan..... So, so cute)

I looked at Yamato, who had this huge and stupid grin on his face.

[Tatsuki] "Please take care of them and absolutely don't lose them."

Said Tatsuki-san, handling us charms one after another.

I couldn't understand what was written on them, and it seemed that each one had different patterns drawn on it.

I carefully placed my charm in my pocket.

[Tatsuki] "And finally..... [Rengendou] is always done from three to six people, from the ancient times."

[Tatsuki] "Why is that..... Do you know?"

We quickly exchanged glances. Asking us so suddenly about something like that, there's no way that we would know the answer.

[Yamato] "Cost reduction? It is done all at once because it's more efficient that way?"

[Tatsuki] "Ahahahahaha..... I see. I didn't think of something like that."

[Mikoto] "Then, what is the reason?"

[Tatsuki] "Partnership..... As an Exorcists, this is crucial in our work."

[Tatsuki] "The stronger the art, the stonger the spiritual power. And, if one also has strong body, he is even more favorable to become an Exorcist. "

[Tatsuki] "Of course, it doesn't have to be only those categories, there are a whole lot more of traits that are preferable."

So the three of us are going to be evaluated.

[Tatsuki] "But still, this isn't enough for a human to defeat demons. Even after years of training, our magic and arts are but a child's play in comparison to the demons....."

[Tatsuki] "We are all but a frail existences."

Tatsuki-san was talking in a quiet tone, continuing his words of admonishment.

[Tatsuki] "That is exactly why we must make cooperation our greatest weapon."

[Tatsuki] "Even if we are weak alone, two people, three people..... ten, or twenty people, when they gather their strength together, then we can fight demons on equal ground."

[Takeru] "So in order to see if we can pull it off, [Rengendou] was introduced?"

Tatsuki-san gave a small nod.

[Tatsuki] "You three, I have heard that you were all a part of Demon Extermination Brigade..... Today, I want you to show to us the results of your work."

[Tatsuki] "By combining your forces in this ordeal, we would like you to complete this [Rengendou] and return successful."

[Takeru] "Yes, sir!"

[Mikoto] "Roger that!"

[Yamato] "I'm gonna do this!"

[Tatsuki] "The Exorcists are already stationed around Kihime mountain. You can proceed with the start as soon as you like."

After saying goodbye to Tatsuki-san and Yuu-chan, we went to the Kihime mountain where the Exorcists were waiting for us.

... ..

... ..

...

[Tatsuki] "..... Are they gone?"

[Yuu] "Yes..... They went to Kihime mountain. I hope that everything goes well for them."

[Yuu] ".....!? What's wrong, Brother?"

[Tatsuki] "It's the Examination group..... Contact came from Kihime mountain."

[Tatsuki] "They say that Shichibushu is attached to this place."

[Yuu] "Eh!? B, Brother..... What, what did you say?"

[Tatsuki] "... .."

[Yuu] "Shichibushu like, The Heaven Splitting Shichibushu...?"

[Yuu] "Why!! Surely there's no need for it's strength for something like [Rengendou]?"

[Yuu] "There wasn't even any need to release Shichibushu right now! There is just no way that Yamato-san and the others will be able to defeat it....."

[Yuu] "Uhn. With that kind of Exorcists..... They won't be able to win!"

[Tatsuki] "Fufu. Just a normal Exorcists..... huh?"

[Yuu] "What does that mean?"

[Tatsuki] "Their opponent is that Tachibana Yamato. I wouldn't be surprised if he couldn't even land a single blow on them."

[Tatsuki] "If they manage to capture him, that's good. And even if won't survive the ordeal..... That's also part of the plan."

[Tatsuki] "He won't be able to escape....."

[Yuu] "B, Brother..... Are, are you serious?"

[Tatsuki] "This is a long-cherished wish of our Ayagami village. No..... It is a wish of all the Exorcists of this world."

[Tatsuki] "Just look, Yuu. My generation..... will get this done."

[Yuu] "..... B..... Brother....."

SCENE 13

BAD END 1

I tasted them many times, both pain and pleasure.

There was not a single day that I spent without thinking of those who I betrayed.

My pure body, my beliefs, I even tricked my beloved sister, going crazy with lust day in and day out.

..... This is the real me.

Your emotions, the sensations of your body, if you seal all of that away, there's just no way for you to live a normal life anymore.

Such were both my body and my mind, dirty and obscene.

[Exorcist A] "Good morning, Takeru-sama."

[Takeru] "Uuh, ah..... Aaaah....."

Hearing footsteps on the floor, I faintly open my eyes.

Judging by the greeting, it must have been somewhere around dawn.

[Takeru] "Haaaa..... Haa..... Nkuu..... Ah, uhhh"

My throat is thirsty, my tongue swollen, and I swallow my saliva.

It barely managed to go down my throat, leaving behind a tingling sensation.

[Exorcist B] "Here is your water. Here, please drink this."

A voice with no intonation.

I turn towards my left, looking at the plates at the back of this unfamiliar place.

[Takeru] “Nh... Nnn, gulp..... Gulp, gulp.”

I grab the water, gulping it down and soiling my face with it.

The Exorcists show no emotion at this sight..... No, they were looking down at me with eyes full of contempt.

[Takeru] “..... Uh, fuuh.....”

Finally being satisfied with the water, I draw breath.

[Exorcist B] “Did you had enough? I’ll take it, then.”

The water jar is taken away from my lips.

But, for some reason they tried to avoid touching me even with one finger.

Skin that was full of dirt, not to even mention the terrible exhaustion, there is no surprise in their behavior.

[Takeru] (Is this..... how the Hamiko is attended to?)

They did not care if it was a woman with high spiritual power or volunteer.

Any woman with strong sense of justice, pride or friendliness would crumble due to the treatment of those men.

[Takeru] (..... I guess, I’ll just have to get accustomed to this.)

Laughing and snorting.

This tingling sensation in my body won’t stop even when I’m asleep.

In my heart, I just can’t forget the feeling of being defiled.

[Exorcist C] “Today, we bring you a new kind of demon.”

While purposely talking with a polite tone, the man took out a disgusting demon trapped in a cage.

[Exorcist A] “As for Takeru-sama, we would like you to masturbate in order to prepare yourself.”

[Exorcist B] “Please.”

[Exorcist C] “We humbly want you to masturbate.”

[Takeru] “.....!”

I bite on my lips in frustration.

Being asked to do that in that ridiculous form, my heart didn’t move even a bit.

[Takeru] “.....”

I inhale through my moist throat.

[Takeru] “I... I understand.....”

I reach out towards my crotch.

[Takeru] “As for one of the Hamiko’s, I’ll now start..... masturbating.”

I extend my touch over my drenched secret parts.

[Takeru] “Fuah.....!”

I started to masturbate, but I did it because of Hamiko’s sense of responsibility, not because those men ordered me to do so.

[Takeru] “Ahh, ahh... Naahhh”

I did so because I wanted to do it.

Splash.....

[Takeru] “Haaahh... Haa... Ah, aaahhhn!”

Just like that bug, this body had been stained.

[Takeru] “Good.....! It feels so good, fuh, ahh, fuuaahh.”

As my [ki] goes mad, I was filled with pleasure similar to mud.

The demon covered with slimy mucus looks at me.

It wriggles it's torso, and it looks like his dick is becoming hot.

[Takeru] “AH! Aaaah, nnn, fuuuuah!”

Soon, that thing is going to be inserted inside of me.

Splosh.

[Takeru] “Haaahn, fingers, so thin.....”

While rolling my clit with my index finger, I gently rub my slit with shallow movements.

Splosh, splash, gush.....

I haven't inserted them all the way to the back yet, so my inner walls are trembling from my fingering.

As for my heart, it is pounding like crazy and my contracting uterus spits out waves of love juices.

[Takeru] “Ah..... Aah! M, more... Something thicker..... Auuh, I... I want it..... Hiii, iyuuuh, nuuh!!”

Love juices were gushing out of my vagina, covering my whole fingers and dripping down all the way down to my wrist.

[Takeru] “Fuuaah, auh, haa... Haaaahh.....”

My breasts were swelling from all the excitement, and my nipples got rock-hard and erect.

[Takeru] “Ah, AAAAAAH!”

I lifted up that naughty part of my body, scratching it with my index finger.

[Takeru] “—— NNNAAAHHH!!!!”

Just that, and it was enough to make my body shake and tremble.

[Takeru] “..... Ha, haa... Nhaah.....”

Being halfway on my way to climax, my inner thighs were shaking in dissatisfaction.

[Takeru] “... M, more.....”

Bending my body, I try to reach further down my abdomen.

Being in that state, I look at the calm men.

[Takeru] “Moore.....”

..... Gush.

Pushing it open with my index finger and middle finger, my red-colored pussy has become completely exposed to view.

[Takeru] “Look at me.....”

The men won't even flinch.

They look at me just like they look at some tool, and my stomach becomes hot with humiliation.

[Takeru] "Look at this, this naughty, naughty..... The worst, perverted, masturbating bitch."

My pussy is convulsing.

The walls of my vagina contracts, wanting some thick, hot, and hard thing to stir them up, making loud sounds.

[Takeru] "Look at that human trash that is me!"

An honor student stripped of all of her dignity, the real me.

[Takeru] "AH, naaahhh!!"

They despise this, this figure.

[Takeru] "Look! Coming all the way!!!"

They look with contempt at this greedy tool.

[Takeru] "Fill my stomach to the brim! Move! Stir me up! Don't stop hurting me!!!"

I cannot be satisfied with this, this good-for-nothing pleasure.

[Takeru] "Defile me..... Haa, haa! Anything will do....."

That thing trapped inside the cage made me feel nauseous.

It was staring at me with its inorganic eyes.

[Takeru] "..... Put it, inside... my pussy....."

[Exorcist A] "..... Set the demon free."

[Exorcist C] "Yes. Right away."

Accompanied by the sounds of rusted metal, the demon crawled out of the cage.

It approached me, leaving behind a trail of fluids in between the plates.

[Takeru] "Aaaah, ah..... Uh, kuuh."

I felt sick, and my nausea only welled up.

At the same time, there was more to it's appearance than feeling sick, there was also something that made my spine tremble.

[Takeru] (T, this thing..... This, sickening, disgusting thing.....)

Beating and throbbing without restraints.

Sloppily loosening it's mouth.

[Takeru] (I, from now on... Ah, haaah... I'm going to be defiled by this)

Drip.

[Takeru] "Nh, nnnhn!"

It's pressing itself against the back side of my inner thighs.

[Takeru] "Ah, haa, haa... Uh, fuuuh, h... hurry....."

The demons secretions were slimy and sweat-like, making my skin shiver as I let out a sweet voice.

Slime, slide..... Grope, squeeze.....

[Takeru] "Naaahhh..... Don't be, so... so impatient....."

The demon wiggles it's head, slowly getting closer towards my entrance.

Looking closely, you could see something similar to a thin tongue extending from it's mouth.

[Takeru] "Aaaaaah..... It looks just like a snake."

This narrow tongue swells up at it's center, as if being encouraged by my words.

Slime.....

[Takeru] "AH! Nnnaaahhh!!!"

It makes wet sounds while wrapping around me.

Wrapping itself around my round parts, picking on my nipples.

[Takeru] "Nfuuh, fuuh, haa, ha! Aah, hyiaaah!"

My shoulders twitch and shake in convulsions.

All the way from my waist to my brain, waves of pleasure were being send as it's tongue repeatedly twisted and brushed against my entrance.

[Takeru] "C... Cumming! I'm... I'm cumming from this tongue.....!"

As I'm hanging at the verge of orgasm, my walls squeeze themselves tighter and tighter with each time.

Catching up to this sensation, my hips begin to move on their own.

[Takeru] "Nfuuh! Fuh, kuuuh..... Hii, uh! Ah, AHHH!"

Tightening so much that it hurts, I could no longer tell the movements of this tongue.

My whole body turns into one big erogenous zone, concentrated on this one place.

Slide... Slide... Slide.

[Takeru] "Cumming! ... I'm cumming! Nkuuh!!"

At that moment, my body tightens up, going numb.

[Takeru] "Naaaaaahhhhhh!!!!!!!!!"

Beads of liquid and urine gush and overflow out of my insides, as my whole body is covered in sweat.

[Takeru] "..... Uuuhhh."

I'm exhausted and all of my fatigue is gone, just like after going through a lot of physical exercise.

Or not... but, while my mind is still in haze, there is no doubt that I felt pleasure while doing it.

[Takeru] "Uh, fuuh... Haa, haaa..... Haaa....."

In the back of my head, I can hear ringing in my ears.

Suddenly forgetting to breathe, I found myself slightly suffocating.

[Takeru] "I... I came....."

Each time I draw breath, my belly goes up and down.

[Takeru] "I... I came..... so much..... Ah, kuh."

This thin tongue comes and licks me with sympathy, only after tormenting me not so while ago.

[Takeru] "G... Good..... Haa, haa..... So good, ah, haah."

No one ever tried to touch me so gently, not even those men.

Even if this is just nothing more than a false instinct of reproductive behavior, this hideous demon has become dear to me.

[Takeru] "..... Hey."

Moving my waist listlessly, I rub the head of a demon with my genitals.

[Takeru] "Inside... of me....."

The demon lifted his heavy head, looking as if he understood what it was that I wanted.

[Takeru] "I beg of you..... Please come, in... inside of... me....."

It raised its tongue and licked my entrance, as if agreeing.

[Takeru] "Hyiaaah!"

My body felt that, just enough to send me into shivers.

The demon wrapped around the bottom of my body, moving its thin tongue over and over again.

[Takeru] "Nh..... Fuuh."

My spine shivered and tingled, attacked by both pain and pleasure.

And while the demon coiled his tongue around --

Spread.....

[Takeru] "—————!"

Its huge head rubbed against my entrance.

[Takeru] "..... Ah..... Uh....."

Far exceeding my expectations, a huge pain stroke from my pussy all through my body, shaking my chest up and down.

[Takeru] "Ha, Aah..... Nh, kuh."

With a sloppy sound, the head pushed further and further up my entrance.

The demon's body seems to be soft and boggy, but there was also elastic.

My entrance tightened strongly, trying to push back that slimy, rubber-like ball.

[Takeru] "Haa, haaahh... Nhh! Afuuh, fuuuh....."

It was hard for me to breathe, so I gently started to take nice and deep breaths.

At the same time, the demon does not stop its assault.

[Takeru] "No... D, don't..... It... hurts....."

I try to uselessly raise my voice, but instead I leak a sweet sigh.

The back of my entrance, the place that was wrapped in soft, nice flesh, was very welcoming for the demon's visit.

[Takeru] "My stomach, is swelling..... Afuugh!"

It bends and squashes its neck around my stomach, even hitting the excrements which had accumulated in my rectum over the flesh wall.

Stir... Stir.....

[Takeru] "Naaaggghhh!!"

Each time my internal organs are shaken, my head goes blank for a moment.

Thrash! And my whole body is covered in goose bumps, my rectum convulsing.

[Takeru] "Uh, nguuhh.....!"

Meanwhile, the demon continued to crawl to the back of my body, penetrating me without a moment's rest.

Spash, splosh... Splosh, shlick.....

[Takeru] "Hii, ah! Haa, fuuh, nkuuh, fuuuuuuh."

My vagina pulses with accordance with my pulse.

The demon swells its body in unison with the convulsions, rotating and pushing, aiming at my deepest spot.

[Takeru] "G... Good....."

Unable to even swallow properly, saliva is dripping non-stop from my open, dirty lips.

Just like that, the demon's head reaches my cervix, urging to keep going further.

[Takeru] "Fuh, uhh, kuuh... Naah, there... Haa....."

The love juices are overflowing from the entrance to my womb.

Also, a yellow, stinky liquid leaked out of my pussy.

[Takeru] "Can't, I... I can't..... Kuh, uguguguh, kuuh!"

My mouth is saying that I can't, but my waist is wriggling indecently.

Rubbing against the floor, my skin became slippery and beads of sweat fell among the plates.

Thump, pump... push, pump!

[Takeru] "Hii, guuh!"

Irritated that my cervix still remained closed, the demon presses its head against it, pushing.

..... Spread.

I open my eyes widely, feeling a pain and pressure beyond comparison, as when I was still a virgin.

Spread, push, push, push.

[Takeru] "Uh, uh, uh, uh."

My breath remains clogged, leaking only through my tightly gritted teeth.

[Takeru] (Even... my head.....)

I feel that intrusion all the way in my brain, screaming that my cervix became opened.

[Takeru] (It looks like... I have... been... defiled.....)

More than pain, something fluffy wrapped around me, as if I was flying above the cloud or even higher.

Pump..... Pump, pump, pump!

[Takeru] (..... In, incredible.....)

Somewhere inside me, some of my nerves may have even been paralyzed.

All strength left out of my body, I can't think of anything else.

[Takeru] "I... want it....."

In a weak voice, I appeal the demon lusting after me.

[Takeru] "I want it... so bad."

As if ignoring my pleas, the demon rampages my insides in self-indulgence.

[Takeru] "Hey..... Give it to me."

However, the demon's head still tried to pry open my cervix, frequently rubbing itself against my entrance.

When I'm entering that state, I might even get broken.

[Takeru] (For sure, I'm going to... break apart)

To this thought, my body covers in goose bumps.

[Takeru] (No, I... I, I am.....)

My whole body trembles in joy, just like in the past.

[Takeru] (I want to be..... broken!)

Pump..... Shlick, shlick!

[Takeru] "AH! Hhhyyiiiiiiiii!!!"

I just made that wish, and the demon's head was already tearing my uterus hole.

[Takeru] "Guuuuuuuh! Ah, guh, UH! Nguguguguh!!!"

Looking at my agony skeptically, that long demonic body packed itself into my uterus.

The surface of my lower abdomen swells and expands, looking just like a pregnant woman's in last months of pregnancy.

[Takeru] "Ah, gah!"

I screamed, unable to withstand the pain in my uterus, while the demon shuffles its head happily.

[Takeru] "Hiii! Cumming, cumming, cumming, nuoooh!!!"
